# THE 2017 REDBACKS

**Courtney Mather @ the World Junior Championships in NZ**

Welcome to the **60th edition** of the Redbacks Newsletter. Five years of delivering you all the news around Northern Region.

I just looked back at my first publication for September 2012.

WOW that brings back a few memories! Kim DiBella wrote a story for the first edition and she has written a story for the 60th ... thanks Kim.

Unfortunately, the Redbacks Team finished 2nd overall at the QJC. Sadly the team didn't win even an age group.

Well its onwards and upwards as we commence building a better and stronger team for next year!

**Courtney Mather** realised her dream to play at the World Championships and represent Australia.

Our State U19 Champion may have found the opposition just a little too good but she gave it her absolute best! Well done Courtney ... we are all very proud of you.

## **By Dean Morzone**

Thank you for your valuable feedback about our proposals for our future junior tournaments. Hopefully many will be enthused and motivated by our initiatives to increase participation and fun into our truly great sport. Ingham will be a very valuable pilot for a multi-tiered format and getting players 'doubles ready'.

### **QJC 2018**

We are also working on providing a package for the 2018 QJC tournament to enable timely family finance planning. The package will also account for deserving subsidisation for active volunteers (manager, coaches, dorm carers, cooks etc) who are critical to a safe playing and living environment during the event with a subsidy.

### **Sponsorship and Fund Raising Sub-Committee**

Our Sponsorship and Fundraising Sub-Committee is still forming with the hope that all major centres will be represented. They will explore and support all sponsorship opportunities. It is true that small businesses are under pressure, but I think we have been 'behind the eight ball' when competing with other sports for their valuable promotional dollar. We are less attractive than we once were but that doesn't mean gaining sponsorship is out of reach.

### **Sponsorship**

I must confess that I was once complacent about sponsors when serving on committees for other sports (especially, basketball, rugby, league) but I have been stunned about how readily sponsors see how valuable strategic exposure works for future business from all involved in the sport, e.g. prize money or kind, or just discount offers (for raffles or event periods). Clubs hosting our tournaments should implement strategies to source sponsorship from:

- Racquet/balls/clothing manufactures through their reps, eg. Karakal, dunlop etc; Sports shops;
- Bus companies (with the prospect of future charter for schools and rep);
- Hotel & caravan Accomodation (for special rates).
- Dentists (sadly for the real prospect of broken teeth)
- Optometrists (for prescription eye wear/contacts);

# PRESIDENT'S COURT

- Caterers/baker/butcher/fruit & veg grocers (discounted bulk catering for tournaments);
- The people that service the squash courts themselves - plumber, electrician, solicitors, etc. (who are keen to retain and grow that business)
- Businesses might also see value in the travelling dollar with players and parents coming from north and south, e.g. discounts for food or a special offer for resorts for the raffle.
- Then of course, there are the larger businesses with local franchisees who are often obliged to support community events - Bendigo Bank, McDonalds, Subway, etc.

Many of the contacts of these places are in the membership of your local club. Sadly it's not like the good old days. You will also need good leadership and dedicated committee members to actively promote the tangible and non-tangible benefits of supporting the event.

## Grant \$7500

The other matter which I hope has (or will urgently) be considered by local club committees (for Juniors) is applying in Round 6 of Get Going Clubs. For more information please click on the link:

<https://www.qld.gov.au/recreation/sports/funding/getinthegame/getgoing/apply/>

All clubs should be looking to apply. Cairns junior squash successfully applied last round for a ball machine, come and try coaching sessions with introductory rackets, eyewear and balls for the new players.

This grant is in synchronicity with our regional objectives, that is:

- to enable local sport and recreation organisations to deliver projects that improve participation opportunities;
- to develop the capacity of sport and recreation; organisations to deliver participation opportunities.

An organisation can request funding for one project with any combination of the following components: education and training equipment and participation, up to a maximum of \$7,500 (GST exclusive).

Through our sub-committee I am encouraging all clubs to apply. This might fund a ball machine; coaching; free rackets; eyewear and balls for the new players; lap

# PRESIDENT'S COURT

tops & iPads for electronic scoring and tournament software, go-pros for coaching and real time telecasting.

**Applications Close  
11 August 2017**

**APPLY NOW!**

Complacency has been a slow killer of our competition in promoting and retaining participation in our great sport. **Applications close on 11 August 2017** so please don't let this opportunity pass, and be ready to learn of others.

## Holden Home Ground Advantage Grant

Also I strongly encourage clubs with Redbacks players to apply for the Holden Home Ground Advantage Grant. For further information click on the link:  
<https://www.holden.com.au/about/home-ground-advantage#/overview>.

**Applications close 31 August** and does not apply any limit, other than \$250000 to support elite participation.

## Coaching Coordinator

In the absence of many nominations for an honorary regional coaching co-ordinator, I propose to invite expressions of interest. The position will train and develop regional and club coaches, liaise with Q Squash & Lisa Camilleri, introduce coaching camps and co-ordinate tournament sessions.

See you on the court.

After receiving a bye in Round 1 **Courtney Mather** played New Zealand's best Kaitlyn Watts in the second round. She went down in three and then moved to the plate event. Courtney was up 2-0 but lost her way against South Africa's Danielle Shone.

Courtney then went into the Consolation Plate where she won her first two matches. Those wins set her up for a semi final showdown with team mate Alex Haydon which she lost in straight.

# THE QJC TEAMS REPORT

The Brisbane Vipers were simply too strong overall in 2017 winning all 5 age groups. Given the size of the squash centre the traditional way of playing the Teams event had to change. Instead of a rest day following the individual championship doubles matches were played.

We took on a much depleted Central Region Bulls first up and we won all age group. However, the Under 19 clash was a close affair. Of the 5 individual match ups we won 3-2. Fortunately, Courtney Mather, Summer Palmer and Brad Martin had wins.

It was always going to be a tough ask but the Redbacks gave it their best against Brisbane Vipers. A full team with a little more experience in doubles would have helped but even then it still would have been tough ask against a well balanced Brisbane team.

The final clash was against Southern Storm. Here we won the younger age groups (U11, U13 and U15) but lost the older age groups (U17 & U19).

Cairns's **Sophie Fadaely** was voted the MVP by the Redbacks Team. "Sophie was awarded the MVP because of her marked improvement, her positive attitude and willingness to give anything a go without complaining. It was her first trip away with the Redbacks and she was put up an age division, so had to play some very seasoned opponents in the teams, but she gave her best and tried for every point. She is a real character off the court as well and a joy to coach" expressed Gillian Nielsen.

# INGHAM GRAND FINAL FEVER

## Kim Di Bella Reports

Grand final fever hit Ingham squash players last month as all senior divisions finished their first season of the year. The top teams in A Men, A Mixed, B Mixed and Ladies divisions played exciting grand final matches supported by family and friends.

In the **A Men Division**, underdogs, **Whales**, took the honours from early favourites, **Whalers**. Whales, captained by Brody Di Bella featured Jordan Di Bella, Marcus Stokes and Diane Biddle. Unfortunately, Whalers captain, Sean Motti, was unable to make the grand final due to work commitments, but he was well supported on the night by stand in captain, Chris Domin and fellow team mates, Regan Chinotti and Pamela Johnson. Results were - B. Di Bella 3 def C. Domin 0, J. Di Bella 3 def C. Domin 0, M. Stokes 3 def R. Chinotti 1, D. Biddle 0 lost to P. Johnson 3.

In the **A Mixed Division**, **Terriers** were too strong for **Great Danes**, winning 3 matches to 1. Captained by Cody Newman, the strong Terriers team consisted of Julian Haddad, Taleisha Stokes and Beau Lepinath. Great Danes members were captain, Brendan Aquilini, Adam Rotondo, Aaron Christopher and Josh Douglas. Results were: C. Newman 3 def B. Aquilini 1, J. Haddad 3 def A. Rotondo 2, T. Stokes 0 lost to A. Christopher 3, B. Lepinath 3 def J. Douglas 0.

In the **B Mixed Division** grand final it was down to the number of games won as both **Broncos** and **Knights** finished at 2 matches each. Unfortunately, for the Knights, Broncos had won an extra game and took line honours. The bucking Broncos were led by Jack Barratt who was well supported by teammates, Kymblye Stead, Karlye Rhodes and Mackenzie Rhodes. Knights captain, Luke Johnson tried hard for his team which consisted of Lisa Stokes, Hayley Hobbs and Jade Kauppila. Final results: J. Barratt 3 def L. Johnson 0, K. Stead 0 lost to L. Stokes 3, K. Rhodes 1 lost to H. Hobbs 3, M. Rhodes 3 def J. Kauppila 0.

In the **Ladies Division**, **Dixie Chicks** defeated **Pussycat Dolls** 3 matches to 0. Dixie Chick's captain, Leonie Sartor did not have to play fellow captain, Stacey Parsons as her team mates had already done the hard work. Leonie was well supported by team mates, Alex Guy, Cath Brown and Chris Erba. The Pussycat Dolls team was Allysha Roveda, Verity Rutherford and Crystelle Lepinath. Final results: A. Guy 3 def A. Roveda 1, C. Brown 3 def V. Rutherford 2, C. Erba 3 def C. Lepinath 0.

# INGHAM JUNIOR GRAND FINAL

## Kim Di Bella Reports

The first season of junior squash concluded with a nail biting grand final win to the bucking Broncos over the slippery Eels.

Watching on was an enthusiastic band of supporters as five tough games took place to determine who would be the top team for 2017. Each game was played with great sportsmanship and all players can be extremely proud of their efforts for their team.

The first game of the afternoon was the clash between Bronco's Brayden Spina and Eel's Ashton Gibson. These two players are new to the game and have improved immensely in a short period of time. In the end, Brayden was too good on the day winning 3 games to 0.

Kyle Wright (Broncos) was next on court to battle it out with Jayden Scott (Eels). Both determined young players, these juniors put everything into their matches. There could only be one winner and this time it was Kyle 3 games to 0.

Number threes, Kannika Piakhan (Broncos) and Ally Rhodes (Eels) took to the court next. Kannika tried really hard to get her team even more points, but Ally had other ideas and kept her team in the battle winning 3 games to 0.

Broncos held a commanding 2 games to 1 lead going into the number two match up. Talented siblings, Kate Butcher (Broncos) and Jack Butcher (Eels) were both stars on the court. The competitive duo always have a close match and they didn't disappoint on the day. In the end, Jack gained the upper hand winning 3 games to 1.

In the last game of the final, Broncos captain, Lachlan Erba played his Eel's counterpart, Nicholas Stokes. Both boys hit some excellent shots, chasing everything in sight. But on the day, Lachlan was too strong winning 3 games to 0.

During the presentation of trophies, Chris Erba congratulated all players who played during the season and commended them on their sportsmanship.

## 2017 REDSTAR AWARDS

In an effort to recognise more NR juniors we have introduced a new system of performance recognition. From now on **every finalist will be recognised**. Each winner will be listed in the Achievement category and every finalist (runner up) will be listed in the Encouragement category.

Once a player has won an event they will be elevated and listed in the Achievement category even if they finish runner up in other events. If players are equal they will be listed in alphabetical order.

Players receive 2 points for winning a qualifier, 4 points for winning a Queensland State title and 6 points for winning a National title (AJO & AJC). Players will receive 1 point for finishing runner up in a qualifier, 2 points for runner up in a State final and 3 points for runner up in a National final.

Even though the Ingham qualifier was played in October 2016 it is still a 2017 qualifier so the results from that event will contribute to the **2017 NR Player of the Year Award**. A 2018 qualifier played in 2017 will not be included.

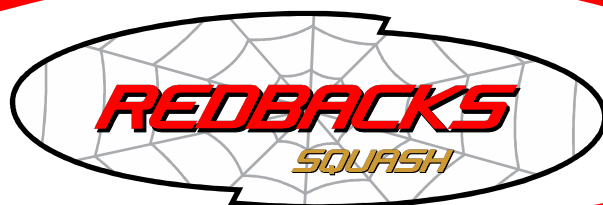

The player who accumulates the most points will be declared the Player of the Year. There will be joint winners if 2 players finish on the same number of points. The aim of the points system is to automate the selection and player results determine the outcome. The system is also designed to encourage players to support all events in their quest to accumulate points.

To be awarded points there must be at least two players competing in an age group.

If an event is combined eg U17 and U19 Combined then it will be analysed to ensure points are allocated to both U17 and U19. A direct match up of the best two players in an age group will determine the winner of that age group. Otherwise the highest finishing position in an age group will receive the maximum points.

A player can only enter up to 2 events so they can only be rewarded with 2 results. An U9 player who might win a combined event eg U9, U11 and U13 Combined can only be rewarded for the U13 victory and their own age group U9. If they were the only player in U9 they will earn points for both U13 and U11.
