The Year of the Shark ... Again!

After 4 days of intense competition the mighty **Queensland Sharks** have won their 14th successive Combined National Teams Championship title.

One can only admire this unbeaten shark streak. A record 14 years of dominance! To all the players, coaches, managers and parents who have contributed to this fantastic milestone over the past 14 years ... a massive congratulations.

Queensland only won one age group but performed consistently well in the other three to snatch victory overall. Queensland won all combined ties.

To keep producing a quality 24 member team each year with players ranging in age from 11 to 18 and doing it after an exhaustive individual championship campaign is challenging to say the very least.

With changes in coaching personnel, changes to team composition, fatigue, injuries, emotions, nerves, etc it is just phenomenal that the mighty Queensland Sharks have been able to sustain their efforts for so long.

To Western Australia who have been working very hard over recent years to beat Queensland ... commiserations. Take heart ... you are getting closer, Last year there was 100 points between the two teams at the end of the competition and this year it was 73!
