Saxby & Lau **Cairns Champions**

Play Squash for fun and fitness!

Well the **Australian Junior Championships** are over for another year. In short the AJC is the pinnacle event on the junior calendar and the final test for many of our talented juniors.

The junior pathway leads a player through the various junior events each year. Many will start their journey by competing in a **NR Qualifier** hoping to be selected in the **Redbacks team**.

From there the players compete in the **QJC** and strive to perform well enough to gain selection in the **Queensland Sharks team**.

The players then compete at the **AJC** and look to perform well enough to get noticed and ultimately get selected to represent Australia.

Along the way all our juniors can compete in the Australian Junior Open, the Oceania Junior Championships and State School Championships to help with their ongoing development.

So train hard and make a statement in 2018!

Junior Tournaments

We proudly welcome home and congratulate our AJC athletes. The atmosphere of the trip is captured in the many photographs and posts. Thank you also to the dedicated supporters, family and friends.

The Ingham qualifier tournament was very successful. It has buoyed our enthusiasm to foster the multi-tiered – aged, graded and doubles events, managed by SportyHQ.

Nominations for the graded event almost matched those for the aged championships. Our championship players provided terrific inspiration for the graded players.

Thank you to Ingham Squash Courts and club, especially Kim and Mario Di Bella, Rhys Mountford-Jones, and Jules Condon for their hospitality and stewardship.

Cairns also recently hosted the most prestigious PSA tournament north of Brisbane, along side the Cairns Open. The club hosted professional international athletes from all parts of the world.

These events are good testament to the efforts of dedicated helpers, and our collective effort to build junior (and senior) squash and increase participation in our region.

Kay Barclay Award

The committee is proposing to launch a perpetual “Kay Barclay Memorial Trophy” in respectful memory of our beloved Kay who passed on 5 February 2017. It is likely to be awarded at the last regional tournament each year.

The criteria for this annual award will reflect the positive leadership qualities Kay personified, eg: “*The player who showed passion, commitment and dedication on and off the court,*” or perhaps, “*An inspirational individual who knows the way, goes the way and shows the way.*” Your suggestions are most welcome.

State Rankings

The timeliness Q Squash State rankings continues to vex our selectors, players and parents, alike. On our behalf, Janelle Fox has ensured that our player's rankings have been timely and reflect policy and merit.

Janelle has decided its time to retire as a state selector, but she will continue working as a regional selector with Mario Di Bella and Lucas Nielsen. Thank you Janelle for your tireless work as a state selector, which was characterised by your

formidable advocacy, sheer hard work and dedication, to ensure fair, accurate and credible rankings.

Lucas Neilsen will take on the role of selector on the Q Squash Selection Committee. It is pleasing to see one of our best athletes matriculate into the position. He has very big shoes to fill, but I'm confident he'll take Janelle's baton to emulate her passionate and tireless work ethic.

QJC Payment Plans

The NR committee is also offering for parents/players to make periodic payments towards their 2018 QJC accommodation costs. Payments are flexible and fully refundable if plans change. Arrangements can be made with Karen Dyer by emailing her at qsnrtreasurer@gmail.com

Tournament Prizes & Sponsorship

The committee is finalising benchmarks for regional tournaments and prizes from 1 January 2018. Clubs will be expected to fund these prizes, and require local club support to secure necessary fundraising, grants, sponsorship and voluntary assistance. Northern Region will soon launch its own sponsorship drive throughout the region.

We still have some 'irons in the (grants) fire' – for tournament computer hardware, training, etc. We have also lent support to the Cairns Squash Centre who is the grateful beneficiary of grant funding to upgrade their facilities.

See you on the court.

Australian Junior Championships

Nine (9) NR Players have just represented the Queensland Sharks at the Australian Junior Teams Championship held in Geelong.

Courtney Mather was chosen as a co-captain of the Sharks and was judged by the players as their **Most Valuable Player**.

Courtney received the **Kay Barclay Supershark MVP Award** - her 3rd MVP in a row! She helped her team finish runner up in the U19 Teams but most importantly led her Queensland team (with co-captain Nick Calvert) to an overall victory for the 14th consecutive year.

Lachlan Erba, Kayce Hoani-Vincent and **Josh Porter** got an early taste of what it is like to win a National Title when they helped their team mates Shona Coxsedge, Madison Lyon and Ben Murray to win the U13 Team title.

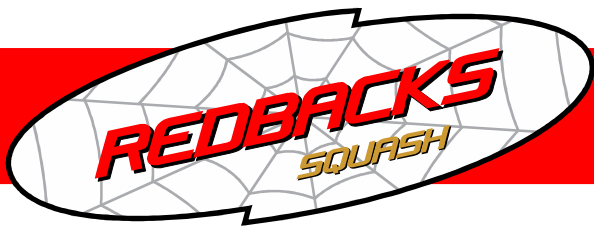

The U15 team which included **Jordan DiBella, Hayley Hankinson, BJ MacDonald** tried hard but had to settle for 2nd behind the very strong Western Australian team which boasted two Australian Champions.

Wes Dyer and **Kurstyn Mather** made valuable contributions to the U17 team but despite the team winning the most competition points they came 3rd overall because they lost one additional tie when compared to WA and Victoria.

Australian Junior Championships

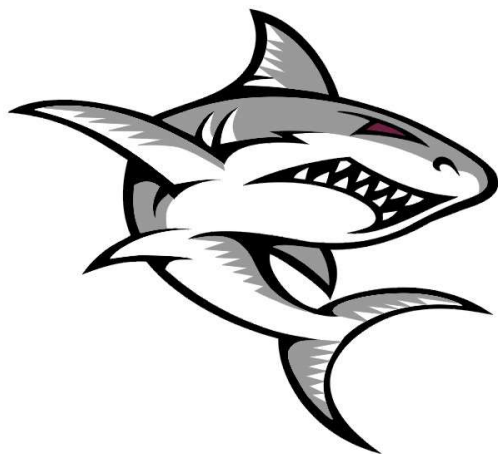

Each year following the Teams event at the AJC the Queensland Sharks recognise 4 players who have achieved significant results and contributed to the team's performance.

They receive prestigious awards named after three coaches who made significant and valuable contributions to junior development in our State.

Austin Adarraga Achievement Medal: **Nick Calvert**
Kay Barclay Achievement Medal: **Madison Lyon**
Noel Forster MVP Supershark Award: **Josh Porter**
Kay Barclay MVP Supershark Award: **Courtney Mather**

The **Supershark Award** especially relates to the Team event. Through a system of daily voting each player selects who they think was the Most Valuable member of their team and the Sharks team overall. So the winners are judged by their peers which makes the award just that little extra special.

TOYOTA

The **Pacific Toyota Cairns Squash International** was held for 4 days from the 26th to 29th of October. Qualification started on Thursday lunchtime with 16 men and 8 women vying for the 4 spots available in the main Draw.

Local Steve Finitis (a former Australian Representative) and youngster Courtney Mather cruised though to the Main Draw. Courtney unluckily met #2S Tamika Saxby and went down in straight games. Finitis took out Brisbane's Tom Calvert and in form player Chris Van Der Salm on his way to the semi finals to meet the #2S Tsz Kwan Lau. The women produced no surprises with the Top 4 Seeds cruising through to the semi finals.

Tsz didnt have it all his own way in the final with Dimitri pressing hard in the 3rd game to take it 11-9 but had nothing left to give in the 4th game and the ever casual Tsz won it 11-3 to take the match. The women's final produced everything, and a few screams along the way, the heat was suppressing but in a torrid affair Saxby came out the winner 11-9, 11-7, 14-12

The Club Graded Draw produced some really great squash and provided big crowds for the PSA event. Mark Gwynne finally took out his first Club Championship downing Marc Forster in 5 Games. Division 2 was won by Terry Pagano over old stalwart Ken Coffey. Division 3 was an all junior affair with another battle between Xavier Morzone and Kurstyn Mather taking place. After 5 games Morzone emerged the victor 17-15 in the 5th.

All positions in Div 4 were taken by Juniors but it was Innisfail Junior Lachy Forster taking the title from Cairns Junior Shantelle Ale in 4 great games.

All in all a fantastic event and spectacle for all to see. Media Coverage from the Cairns Post and 9 Television was ongoing all weekend and great promotion for our sport.

INGHAM JUNIOR QUALIFIER

Two new events were introduced at Ingham: the graded events and the doubles. iPad scoring was also trialed.

It was exciting to see so many new faces due to the graded events. We really hope these players travel to future tournaments in Cairns, Townsville and Mackay.

The doubles were great fun and will provide our NR players with the opportunity to practice and hopefully give us a competitive advantage at the state titles.

iPad scoring was very popular with the kids and also with Rhys as it transferred results directly to SportyHQ. It was super easy for everyone to use.

Although Ingham is not a compulsory tournament it does define the commencement of the new Redback selection period. It is acknowledged it can be difficult for players returning from AJC to attend but many did attend.

Goes to show the kids love to play and be with their friends and parents are doing an excellent job to support local, state and national participation. Thank you ... your efforts are greatly appreciated.

Again Ingham put on a fantastic Saturday night social event. The BBQ dinner was a treat and the desserts were divine. I know many went back for seconds! Thanks to all involved.

Please keep in mind the next NR Tournament is in Cairns 17/18 February 2018.

JUNIOR DEVELOPMENT

Bucasia State School Squash Program

Story by Gillian Nielsen

October 6th saw the inaugural School Squash program begin at the Bucasia State School. With 2 x Grade 5 classes and 2 x Grade 6 classes involved, 110 students were introduced to the game of Squash.

With the program running over 5 weeks, students were taught the basics of ball-control, eye-hand co-ordination and footwork, eventually progressing onto playing a modified game of Squash in their school covered area.

Lisa Camilleri travelled to Mackay to kick-start the program and talk to the students about her career, training, passion for the game and her life now that she has retired from the Professional circuit. There were some interesting and in-depth questions asked of Lisa, ranging from “how long have you been playing” and “are you sponsored by anyone”.

Lisa then put the students through their paces with various activities designed to get them moving and hitting the ball against the walls. All of the students responded positively and seemed to enjoy the activities.

In the following weeks, the students had to “make do” with just me turning up to run the program. It has been challenging at times to keep all of the students involved, but definitely rewarding and well worth the effort.

A big thank you to **Kylie Harbour** (PE teacher) and Bucasia State School for giving me the opportunity to work with the students each week. With the “wet season” fast approaching, it is hoped that we will have some new beginners coming into our Squash centres to get hooked on this fabulous game that we all love.

The more schools that we as a sport can get on board with the Sporting Schools Program, the more potential we have to build a strong base of new players which will only be a positive for all involved.

2018 REDSTAR AWARDS

In an effort to recognise more NR juniors we have revised our system of performance recognition. **From now on every placegetter (1-2-3) will be recognised.** Each winner of an aged event will be listed in the Achievement category and every player who finishes second or third will be listed in the Encouragement category.

Once a player has won an event they will be elevated and listed in the Achievement category even if they finish runner up or third in other events. If players are equal they will be listed in alphabetical order.

Players receive 3 points for winning a qualifier, 6 points for winning a Queensland State title and 9 points for winning a National title (AJO & AJC). Players will receive 2 points for finishing runner up in a qualifier, 4 points for runner up in a State final and 6 points for runner up in a National final. Players will receive 1 point for finishing third in a qualifier, 2 points for third in a State final and 3 points for third in a National event. U19 Players will also receive 1 bonus point for each result because they cannot enter 2 events.

Even though the Ingham qualifier was played in October 2017 it is still a 2018 qualifier so the results from that event will contribute to the **2018 NR Player of the Year Award**. A 2019 qualifier played in 2018 will not be included.

The player who accumulates the most points will be declared the Player of the Year. There will be joint winners if 2 players finish on the same number of points. The aim of the points system is to automate the selection and player results determine the outcome. The system is also designed to encourage players to support all events in their quest to accumulate points.

If an event is combined eg U17 and U19 Combined then it will be analysed to ensure points are allocated to both U17 and U19. A direct match up of the best two players in an age group will determine the winner of that age group. Otherwise the highest finishing position in an age group will receive the maximum points. **To be awarded points there must be at least two players competing in an age group.**

A player can only enter up to 2 events so they can only be rewarded with 2 results. An U9 player who might win a combined event eg **U9, U11 and U13 Combined** can only be rewarded for the U13 victory and their own age group U9 providing there are two U9 players competing. If there is only one player in U9 they will earn points for U13 only. If there was one player in U9 and one in U11 they will still only be rewarded for their efforts in U13.

The Northern Region Player of the Year will be announced in the December 2018 edition
