MACKEY QUALIFIER

I have just returned from a trip of a lifetime to the Canadian Rockies and Alaska. WOW what scenery!

If you ever get the chance to do it, I recommend it highly.

I have added a page of photos to give you a taste of what I experienced.

The final qualifier for 2018 has been run and it is a BIG congratulations to all the winners and to all the players who will represent the REDBACKS at the QJC in Rockhampton.

Congratulations to all the winners of the NQ Games. Held on the same weekend as the final Junior Qualifier our junior players were in hot demand!

To **Wes Dyer** especially who managed to win the BU17 title at the Qualifier as well as the Open Division of the NQ Games ... well done mate!

Special mention needs to be made of Gill Nielsen (NQG) and Susan Palmer (MJQ) who took charge of their respective events. Both ladies and their helpers did a fantastic job!

JUNIOR TOURNAMENTS

Here we are again, with our Northern Region Tournaments Events completed, our players are poised for the Queensland Junior Championships – individuals and team events in June/July 2018 in Rockhampton.

In the meantime, many will be competing in the Secondary Schools championships.

The Mackay Squash Club in partnership with Mackay Leisure Centre delivered an outstanding tournament. Although, again it highlighted that too much is being done by too few. More work is needed for NR to re-energise clubs and centres to increase and maintain participation, develop juniors, and reconcile clubs and centres.

A huge thank you to Tournament Director Susan Palmer and her support team of Jules, Karolyn, Annette and Lisa who worked tirelessly to juggle the tournament around the available courts and the North Queensland Games.

Further, a grateful thanks to our naming rights sponsor A&L Smash Repairs and all our other sponsors. Northern Region in partnership with Domino's hosted our Gala Pizza Dinner on Saturday night, and with Kim Schramm of Squash Media for promotion, marketing and news. Please show your continuing gratitude by supporting and recommending our sponsors any way you can. Support clubs and centres by introducing the sponsorship packages to fund valuable prizes, tournament costs and provide a surplus dedicated to club junior development and participation

COMMITTEE

The committee is still finalising a review of the By-Laws, which were last amended 4 years ago. The By-Laws govern a range of matters including, playing conduct, eligibility and selection, tournament venues, fees, rankings, uniform and the Redbacks program. We had hoped to deal with the matters at the Mackay tournament. We now expect to distribute a final revision for discussion and approval at the next general meeting in Rockhampton at the QJC.

Please send any agenda items to qsnrsecretary@gmail.com

CLUBS & CENTRES

Also at the Rockhampton general meeting I hope to workshop and brainstorm ideas about how we can better support centres and Clubs with marketing & promotion; competition & tournaments, and Junior development & participation.

RANKINGS

Q Squash have released a new Draft Ranking Policy for submissions from regional members and selectors for consideration the next Board Meeting.

President's Court

By Dean Morzone

The objectives are to remove uncertainty, undue delay, subjective assessments, divergent opinions and disagreement from the ranking process. The policy is expected to be applied uniformly throughout Queensland, and regional selectors will update their own and State rankings after qualifiers. It will also provide certainty and transparency - Players ought know how they're ranked.

I have asked the committee and our regional selectors to study, consider and rigorously test the draft policy, talk to our players and parents, and write to me with any concerns by 1 June 2018. I will then collate and summarise the information into a regional position and send it (including your submissions) to Q Squash by 3 June 2018.

FUNDRAISING AND SPONSORSHIP

We remain committed to forging regional sponsorship partnerships to help our junior athletes develop to their full potential, through specialist coaching assisted by new technology and equipment. If you or someone you know has the potential to support our region please contact Jules Condon at qsnvicepresident@gmail.com, as chair of our Fundraising and Sponsorship committee.

REDBACKS

Congratulations to the players selected in our Redbacks teams. As representatives of the region you carry the honour and pride. A reminder that all players, parents and volunteer staff will be required to abide by codes of conduct and rules.

We received widespread nominations for Redbacks staff. Redbacks team management will be led by me, with Marc Forster as head coach and Jules Condon as manager of operations. Coaches will be available to coach players in their district during the individual event before joining the team.

RECOGNITION AWARDS

My heartiest congratulations to our regional best and Best & Fairest players: Sophie Fadaely and Anthony Bush.

*And also the recipients of our perpetual "Kay Barclay Memorial Trophy" from outstanding nominees: **Gillian Nielsen** (2017) and **Alec MacDonald** (2018). They clearly personify the positive leadership qualities Kay personified - "An inspirational individual who shows passion, commitment and dedication to Squash on and off the court". Gillian and Alec also had the fortunate honour of Kay's mentorship.*

See you on the court.

Cairns Crew's Sizzling Success

The Cairns Junior Squash Club have proved once again you can raise much needed funds to help develop junior squash.

Here is Jules Condon's report on the event:

The Cairns Crew had a Bunnings BBQ Fundraiser on Sunday 20th May.

Piccones IGA Edmonton again supported us with a generous discount on our groceries. Lloyd Everist could not help on the day so he donated \$100.

Thanks Cairns Bunnings, Piccones IGA Edmonton and Lloyd Everist for your generous support.

It was a fun day with lots of support all day to serve up about 640 sausages and 150 soft drinks. Our profit was \$1233.95.

We had lots of parents and some senior members come to help. Mostly it was the juniors who served the customers. Some of the older kids were on the BBQ.

Thanks to everyone who helped out once again to support the Cairns Juniors.

NQ Games

By Gillian Nielsen

The NQ Games, combined with the 50th birthday celebrations for Squash 52, were held on the May long weekend at the Brisbane St courts.

Players from 52 attended the Opening Ceremony of the Games on Friday night getting into the "Spirit of Participation" as the cauldron was lit and the Athlete's Oath read out to all.

There were 7 Divisions for players to compete in, ranging from Open to Novices along with Ladies Masters and Mens Masters. There were a few hardy (or crazy) individuals who thought they were still young and fit, who decided to nominate for two divisions on the weekend. They survived, but were a lot slower and less resilient by Sunday morning.

Our 7 Novice players (3 of them had never played a tournament before) had great matches playing with Ben's "modified 52 Novice" rules. As long as the ball went over the service line on the front wall, play was allowed to continue with much enthusiasm. The crowd got into the spirit of the games too with loud cheering and encouragement for both players on the court. We had to keep an eye on our "spare courts" as our Novices would be onto the court playing against each other until asked nicely to hop off.

The adults were also embracing the atmosphere with a lot of laughter coming from the courts during the day. Number 1 seed, Ben Courtice, went down in a tight match to BJ MacDonald. Although it could be argued that Ben had a lot on his mind with the 50th celebrations to be held later on in the day, you cannot take the win from BJ who played a well-structured match to emerge the victor. This match set the tone for the rest of the Open matches played over the weekend, with quality squash being played by all our competitors.

NQ Games

Saturday afternoon saw the return of many old faces to the courts to celebrate the Courtice family's 50 years at the courts. Stories of past victories and epic battles were told with a hint of nostalgia and the feeling of comradery. It is a credit to the Courtice family for their dedication in maintaining their family's love of the game of Squash.

All too soon, it was Sunday morning and the few who were playing two divisions were giving serious consideration as to why on earth they nominated for two divisions. There were a few groans as the muscles they forgot they had reminded players that they weren't that young anymore. Realising that they weren't going to get any sympathy from anyone, these players staggered on court hoping their muscles would warm up sooner rather than later.

Teagan Ollett should be awarded the Iron Woman medal for the weekend. She also played in the Netball tournament for the weekend and managed to "walk" away with the Gold for the B Grade, defeating Lindsay Hains in the finals.

Janelle Fox had a clean sweep in the Ladies Masters division, coming away with a Gold medallion and also winning Bronze in the A Grade. Noel Lang walked away with Mens Masters Gold and Silver in the A Grade, going down in the finals to Ian Wallace who "only likes to play Doubles because there is way too much running in Singles Squash!"

The Open division final was a clash of our two most talented juniors in Mackay, Wes Dyer and BJ MacDonald. These two also competed in the Redbacks Compulsory tournament over the weekend, so a big thank you to their chauffeurs who ran the shuttle service between the two centres allowing the boys to compete in both events.

One of the Sporting Ambassadors for the NQ Games, Renae Kunst, who has recently retired as the Australian Womens Rugby League Captain, arrived in time to see the battle between Wes and BJ. It was great to have her spend time at 52 and be able to present our players with their medallions. Some of our Novices are still a bit star-struck after meeting her.

Thank you also must go to the NQ Games for allowing Squash 52 to compete in the 2018 NQ Games. Their organisational skills were outstanding and their support was greatly appreciated. The baton has now been passed onto Townsville with the next Games to be held in 2020, we are hoping that Squash will again be one of the many sports to be played.

Finally, thank you to Dan Wagner and the Courtice's, for their help throughout the weekend and in the lead up to the weekend. We look forward to seeing everyone at the 52 Open to be held 3-4 November.

2018 REDSTAR AWARDS

In an effort to recognise more NR juniors we have revised our system of performance recognition. **From now on every placegetter (1-2-3) will be recognised.** Each winner of an aged event will be listed in the Achievement category and every player who finishes second or third will be listed in the Encouragement category.

Once a player has won an event they will be elevated and listed in the Achievement category even if they finish runner up or third in other events. If players are equal they will be listed in alphabetical order.

Players receive 3 points for winning a qualifier, 6 points for winning a Queensland State title and 9 points for winning a National title (AJO & AJC). Players will receive 2 points for finishing runner up in a qualifier, 4 points for runner up in a State final and 6 points for runner up in a National final. Players will receive 1 point for finishing third in a qualifier, 2 points for third in a State final and 3 points for third in a National event. U19 Players will also receive 1 bonus point for each result because they cannot enter 2 events.

Even though the Ingham qualifier was played in October 2017 it is still a 2018 qualifier so the results from that event will contribute to the **2018 NR Player of the Year Award**. A 2019 qualifier played in 2018 will not be included.

The player who accumulates the most points will be declared the Player of the Year. There will be joint winners if 2 players finish on the same number of points. The aim of the points system is to automate the selection and player results determine the outcome. The system is also designed to encourage players to support all events in their quest to accumulate points.

If an event is combined eg U17 and U19 Combined then it will be analysed to ensure points are allocated to both U17 and U19. A direct match up of the best two players in an age group will determine the winner of that age group. Otherwise the highest finishing position in an age group will receive the maximum points. **To be awarded points there must be at least two players competing in an age group.**

A player can only enter up to 2 events so they can only be rewarded with 2 results. An U9 player who might win a combined event eg **U9, U11 and U13 Combined** can only be rewarded for the U13 victory and their own age group U9 providing there are two U9 players competing. If there is only one player in U9 they will earn points for U13 only. If there was one player in U9 and one in U11 they will still only be rewarded for their efforts in U13.
