# WELCOME

## SQUASH MEDIA.COM.AU

I hope you enjoyed the first edition of the Australian Squash Player Monthly.

June has been an extremely busy month writing and building a new website to house the various publications I produce.

I'm pleased to say we have gone "live" and I must thank my old mate Damian Tomasich for making it all possible.

It is nice to be working with "Damo" again. During my time at Q Squash Damo was the go to man for everything to do with our IT, internet and electronic presentations.

During June we also launched a Facebook presence for Squash Media.

It has also been a busy time reporting on the Queensland Junior Championships.

I used the Squash Media Facebook page to alert people to what was happening. My daily reports were sent to the local media (paper and TV) and published on the Northern Region Redbacks webpage.

Toni van der Kreek took some great photos and between Kirsty Hoani, Toni & myself we hit the social media.

My personal congratulations to everyone involved in delivering the QJC. Behind the scenes there is so much to organise to ensure the event is delivered to a high standard.

109 junior players converged on the Mackay Leisure Centre to compete in the Queensland Junior Squash Championships from Sunday 26 to Wednesday 29 June.

62 boys and 47 girls battled each other for four days competing for the 5 State Titles on offer: U11; U13; U15; U17 and U19. There was also an unofficial U9 title and an U21 Mixed event.

2016 Australian Open Junior U11 Champion **Benjamin Murray** from the Sandgate Club in Brisbane got Finals Day underway.

He was simply too good for his Brisbane Region team mate Zane Wolpers winning the U11 title 11-2, 11-6, 11-2 in 16 minutes.

Mackay's **Wes Dyer** (2) took on #1 seed Ethan Stephenson in the Boys U15 final. Dyer played out of his skin to win the

first game and then recover from 1-2 down to win the U15 State Title 12-10, 7-11, 7-11, 11-6, 11-6 in 57 minutes. Dyer was the only player to beat a #1 seed.

Next up was #2 seed Hayley Hankinson (Mackay) in the Girls U15 final. In her first year in U15 it was always going to be a tough assignment against Brisbane's **Mackenzie Sleep** [1] who is a more seasoned campaigner.

Sleep put the foot down right from the start and never took it off powering away for a 3-0 victory in 22 minutes: 11-2, 11-5, 11-5.

Brisbane's **Charlotte Stephenson** won the Girls U11 round robin. She won all 5 matches and defeated Kayce Hoani-Vincent (3) 11-3, 11-4, 11-2 to finish in first position.

It was now time for the first of the blue ribbon events

## QUEENSLAND JUNIOR CHAMPIONSHIPS

... the U19 Girls final between Brisbane's **Taylor Jones** [1] and Southern's Skye Turner [3].

Shooting for two State titles at this year's championship Jones didn't waste any time winning in three 11-4, 11-9, 11-6 in 33 minutes. One down and one to go!

At 11am there were three finals scheduled. Brisbane girls **Ella Burge** [1] and Ashlyn Barclay [2] were to contest the U13 Girls final. Burge proved she is going to be a future star with a comprehensive 11-7, 11-3, 11-9 in 15 minutes!

Showing no ill effects from a slight concussion sustained on Day 2 Mackay's **BJ MacDonald** [1] swept past Luke Eyles [2] in the Boys U13 final 11-2, 11-3, 11-3 in 19 minutes.

Southern Region were delighted when Warwick's **Caleb Johnson** [2] beat Brisbane's Connor McNeill [4] to take the U21 Boys final.

Johnson lost the first, regrouped in the break and then powered away for a great win in four 12-14, 11-6, 11-4, 11-8 (37 minutes).

It was now time for the first of the rising stars to entertain the crowd. With the World Junior Championships his ultimate mission it was important that Brisbane's **Nick Calvert** put together a strong performance. This he did in 50

minutes winning 11-7, 11-2, 11-6. Arscott gave it his all but Calvert was more patient and consistent.

At 1pm it was time to see if Stafford's **Taylor Jones** [1] could win her second title for the day against Zoe Lockton [7]. Jones was ruthless winning the title in 16 minutes 11-1, 11-5, 11-4. Mission accomplished ... title number two was in the bag but little did she know there was more recognition to come!

Both Calvert and Taylor were later recognized for their achievements when they were presented with Eagle Awards. These Achievement Awards are the highest honour a player can receive at the Queensland Junior Championships.

This brought us to the final match of the 2016 Queensland Junior Championships. It was the Boys U19 blue ribbon event.

The final was a tight 30 minute battle but **Alex Eustace** [1] was too good for Jon Van Der Kreek [3] winning 11-9, 11-7, 11-8.

In summary the 2016 Queensland State Champions are:

U 9 Girls: Tara Davies  
U 11 Girls: Charlotte Stephenson

## SQUASH PHOTOGRAPHERS

Yes there are so many people who contribute to making a tournament a success.

They range from the volunteers in the canteen to the tournament director to referees and coaches and of course the players. But one that gets very little mention is the person who is charged with the responsibility of capturing the memories ... **the photographer!**

As a writer of newsletters, I value great shots because they make a publication come alive. They say a picture paints a thousand words. Well a good quality picture will!

Getting good shots in Australia is difficult but not impossible. Yes, squash is one of the most difficult sports to photograph.

The speed of the ball and the racquet make it near impossible to capture action shots without blur especially with an ordinary camera.

Sadly one needs really top notch equipment to take the perfect squash shots like Steven Line at [squashpics.com](http://squashpics.com)

Unfortunately, there are not too many photographers investing or spending time in squash because the reward for their efforts just isn't there.

So when you come across a good photographer you should do everything

in your power to help and support them.

One shot could be your poster for the next tournament. Action and presentation shots help to capture great memories.

There is nothing worse than a player wins their first tournament and nobody captures the moment. Good shots help with presentations to potential investors (sponsors).

The quality of presentation photos also reflects on the standards and professionalism of an event. If you don't care then don't expect other people especially sponsors to necessarily get right behind you.

Words may not be spoken about the shots you use to promote with but judgments will be made by sponsors.

A potential sponsor will always be concerned with how their brand will be represented and promoted. They don't want their brand associated with a poorly promoted and presented event.

Recently a presentation was made by a promoter in bare feet. That certainly doesn't project an image of our sport caring about standards or looking professional to the business community that our sport relies on to run PSA events and major championships.

## SQUASH PHOTOGRAPHERS

One photographer deserving of special recognition is Toni van der Kreek. In short, she is making a significant contribution by photographing our wonderful sport and in particular our juniors.

She may not be classified a professional photographer but she knows how to capture squash shots under difficult circumstances.

As a mum she is giving back to the sport that has been very important to her family. It is her way of getting involved and it certainly passes the boredom of hanging around squash courts when you are not involved as a player or coach.

I personally value what she does for Queensland squash and the major junior tournaments she attends. She takes high quality photos that capture not just the presentations but the magical moments that take place throughout the day.

It could be a photo of a kid playing their first tournament. It could be a special friendship. It could be just a shot of a person in the audience or refereeing. It could be a person serving or showing off their new outfit. It could be a volunteer on the tournament desk or in the canteen. It might be a shot of a coach and their young charge.

Toni van der Kreek is an absolute legend. She has been taking squash

photos for years as her young boys Ben, Jon and Robert have moved through the grades. So it is high time she be recognized.

Your photos are truly amazing Toni ... check them out at on her Facebook page tkreekphotography. Like her page and thank her for taking the photos you enjoy viewing.

Here is just a selection of some of the wonderful shots she took at the recent QJC:

The oldest man in the field proved age was no barrier when he took out the 2016 Golden Open.

The 20 year old Youngjo, who created his own slice of history in 2015 by becoming the first Korean to reach a PSA final at the City of Perth International Challenge, was hoping to go one better this time.

After a tight opening game which lasted 22 minutes, Corren put the accelerator flat to the floor winning his 5th Golden Open in 7 years and creating a new age record as the oldest PSA player to win a Tour Final .
