**7-10 November 2019**

It was nice to attend the 2019 QJC and catch up with so many old friends.

Better still I was invited back to the Redbacks camp to share a meal with the team and officials.

Then to my complete surprise I was presented with a towel and beanie by the captains of the team. What made that even more special was the fact I knew them both from the yesteryear.

Kurstyn Mather hadn't even really got started when I left Q Squash in 2010 but I knew the family well. Her sister Courtney won the Girls 11YAG that same year. Wes was already competing and finished 5th in the 11YAG behind Nick Calvert.

Thanks Jules and the NR Team for your warm hospitality.

## With Jules Wone

As I write this we are in the thick of the QJC and I can report it appears everyone is having a good time off the court and trying their absolute hardest on the court. We are all very proud of your efforts.

**REPRESENTATIVE SQUASH :** Thanks to Cairns Squash and Cairns Junior Squash for supporting the Cairns Juniors who have been selected to represent Queensland and Australia. At the recent club final's presentation President Dean Morzone presented Kurstyn Mather and Josh Penfold \$500 each for their selection to the Australian team to compete at the 2019 World Junior Championships. Along with Kurstyn and Josh, Amy Condon, Sophie Fadaely, Josh Porter and Matthew Finitsis were all presented with \$300 for their selection in the Queensland School team heading to New Zealand in August.

**NR JUNIOR TOURNAMENTS :** The NR Committee has recently called for clubs to provide their expression of interest to host the 2020 Season of Junior Tournaments.

The Junior Tournament dates are:

Ingham	19/20 Oct 2019	Ingham Squash Centre	BRONZE	
Mackay	15/16 Feb 2020	Mackay Leisure Centre	BRONZE	
Townsville	14/15 Mar 2020	Wests Squash Centre	BRONZE	
Cairns	2/3 May 2020	Sportsworld Gym & Squash Centre	SILVER	NR CLOSED

Please note Mackay and Cairns are the compulsory tournaments. To qualify for selection to the Redbacks team, juniors must play three (3) of the four (4) NR Junior tournaments. A junior must play both compulsory tournaments in Cairns and Mackay and at least 1 tournament in Ingham or Townsville.

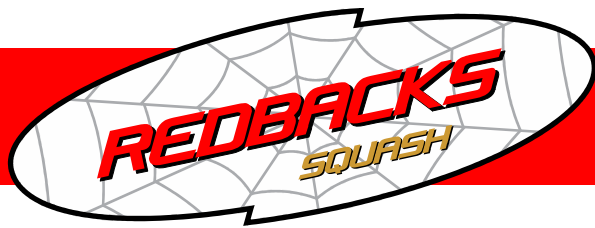

Juniors who meet this criteria will be given priority consideration when the Redbacks are selected regardless of the strength of an individual who has not fully qualified or strength of the overall team. Please do not assume you will be selected to the Northern Redbacks if you have not qualified by attending the required tournaments or have not provided medical evidence to remain eligible.

**OPEN TOURNAMENTS :** 20-21 July - West Squash Club Open Championship - Townsville.

**AFFILIATION IS DUE :** Particularly important if in January you affiliated for 6 months, your affiliation fees will now be due again. Affiliation fees: \$73 for a full 1 year; or \$44 for seasonal (6 months).

Please remember affiliation comes with all sorts of benefits - especially personal insurance with participating in the game or related activity. Affiliation is compulsory for all juniors to compete in the NR Junior tournaments and in the State and National Championships. Affiliation status

will be checked prior to all 2019 NR Junior Squash Championships.

Please note players living in Mackay, Townsville, Ingham and Cairns and all areas in between along the coast are not considered remote and do not qualify for the Remote Member Registration.

**RANKINGS :** The Queensland junior rankings were due on 1 June 2019 and were published leading up to the QJC.

The State rankings and associated combined seedings will be relied upon by the NR tournament hosts to set draws. Timely appeals will be essential. The appeal process in the policy provides for an internal review (like the old policy to give the rankers a chance to affirm or change their mind), and if the appellant remains aggrieved by that review decision, the appeal must be decided by an independent decision maker.

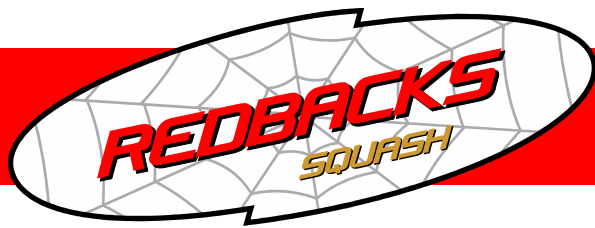

**NORTHERN REGION MEETING :** Please note a standard item on the NR Meeting Agenda will be a discussion about participation in the NR. This item will be to share ideas about how to increase participation in the NR and how to continue to improve the competition. Please attend the meetings to share your ideas. The more people we have at the table the more ideas we will have to consider. We really need ideas to improve the participation in the region.

The next meeting will be at the 2019 Ingham Junior Championships and the date will be advised.

**QUEENSLAND JUNIOR CHAMPIONSHIPS (QJC) :** As mentioned above, the QJC is underway as I'm writing. If you have not finalised your invoice, please do so ASAP. If you need a little more time, this is ok but please contact Moira by email to advise - Moira McGovern at [moimac@live.com](mailto:moimac@live.com)

Thanks to the awesome Northern Region Support Team who make the QJC amazing.

Presentation Dinner – This was a great night. We were told that Mick de Brenni - Minister for Sport who attended the presentation dinner was very impressed with the numbers and the behaviour of the juniors. This is a very good sign for funding. Thanks Bradley Hindle and Colette Sultana this was a great end to the QJC Individual events and a wonderful way to present the Queensland champions and celebrate the Queensland juniors.

Kim Schramm – The NR said thank you to Kim for all his hard work over many years. It is hoped we continue our relationship with Kim who provides invaluable support to the NR.

Thank You Kim!!!

I'm not at all bias but for the record I predict a NR win in the 2019 QJC team events!

### REDBACK SPONSOR: A&L SMASH REPAIRS

– **KAREN DYER** : Again, thanks to Karen Dyer owner of A&L Smash Repairs for her very generous sponsorship of the NR Redbacks. All the junior families are benefiting from this sponsorship in the form of team uniforms including the famous NR beanies. Karen thought we looked like garden gnomes with our beanies on and that is ok. Gnomes are very cute and magical. So too are our Redbacks. Please remember to show your gratitude by booking in with A&L Smash Repairs if you ever require your car to have a little scratch and dent sorted or major work done.

Thanks Karen!

**FUNDING/GRANTS** : It would be really great if we could get at least 1 person from each centre in the NR region to form a sub committee to co-ordinate applying for grants. Applying for grants as the NR is great and we will continue to do so. However, if we apply for grants for each centre the NR will benefit with the opportunity to win many more grants and have so much more money to go towards promotion of squash and junior development within the NR.

If we work as a team we could collectively be very successful for a minimal amount of time and effort. We would work on common goals within the region and share the content we write for each grant. This would reduce the amount of work we need to do independently and increase

# President's Court

## With Jules Wone

our chances of receiving money to spend within the region.

I believe the priority for NR would be to apply for grants to increase participation with a focus on new members but also retaining current members and increasing the coaching standard and availability of high quality coaching across the NR. As the NR covers a very large geographical area we have unique challenges and grant money is 1 solution to overcome some of the challenges.

Please contact me if you would like to be involved or contribute in any way.

**SPORTYHQ :** Squash Australia (SA) has advised SA will cover subscription costs for affiliated clubs. Please do not pay for any SportyHQ subscriptions prior to discussing your clubs status and encourage all your club members to pay their affiliations to take advantage of this. In regard to SportyHQ, SA announced a number of other improvements are coming to provide a better user experience and there will be 6 monthly updates.

**NR VOLUNTEERS :** We certainly have a great culture across the NR and I find that people are willing to help out at times, particularly at tournaments and definitely at QJC. I just wonder if some of you may be able to spare some time to volunteer. All volunteers will be welcomed. We need some help to write grants in particular but also to form sub-committees to develop the tournament guidelines. If you would like to get involved please get in touch with your club's committee or myself or Rob Fadaely and we will help you find your way.

I hope you all enjoyed the QJC, accomplished your personal goals, had a lot of fun and everyone is enjoying the rest of the school holidays. We are half way through the year and still lots of squash to be played. Train hard and I hope to see you all in Townsville for the Wests Squash Club Championships. Playing open tournaments is a great opportunity for the juniors to play senior players rather than each other. Travel safe.

Keep Squash Fun!

Jules Wone  
President.

## Susan Palmer Reports:

The cold weather hit Mackay with such force the trousers and jumpers were dusted off, but that didn't stop the young ones from participating in the Mackay Winter #1 Mini tournament.

At 0930hrs on the 8th June the courts were alight with laughter and banter. After a warm up the games began with 8 contestants. On the red door court the juniors were having so much fun it was hard to determine whether the 2 players were playing their match or it was conversational banter or a competition to see who could laugh loudest. The noise that was coming from the court almost took the roof off!

A huge welcome to the new Juniors to the competition scene: Sage White and Jackson Chapman - their enthusiasm to improve is outstanding. The participants achieved the following points:

### A Grade:

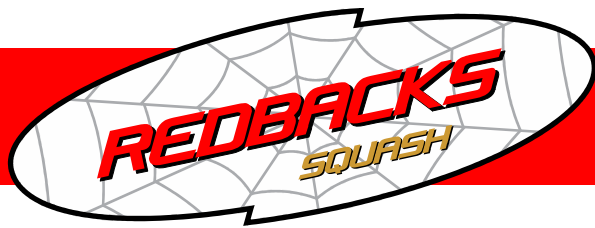

Kayce Hoani Vincent 5 points  
Dylan Perkins 4 points  
Declan Christiansen 3 points  
Lachie Howarth 2 points

### B Grade:

Jackson Chapman 5 points  
Sage White 4 points  
Seun Adepoju 3 points  
Seana Christensen 2 points

# 2018 REDSTAR AWARDS

Our aim is to recognise as many NR juniors as we can with the **RedStar** Performance Recognition System. **Every placegetter (1-2-3) will be recognised.** Each winner of an aged event will be listed in the Achievement category and every player who finishes second or third will be listed in the Encouragement category.

Once a player has won an event they will be elevated and listed in the Achievement category even if they finish runner up or third in other events. If players are equal they will be listed in alphabetical order.

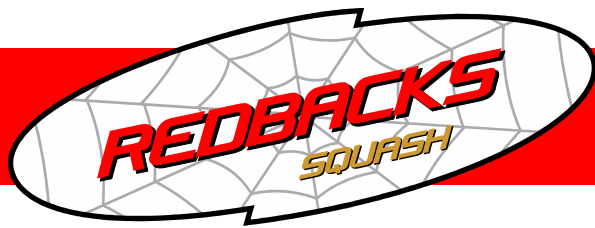

**Players receive 3 points for winning a qualifier, 6 points for winning a Queensland State title and 9 points for winning a National title (AJO & AJC). Players will receive 2 points for finishing runner up in a qualifier, 4 points for runner up in a State final and 6 points for runner up in a National final. Players will receive 1 point for finishing third in a qualifier, 2 points for third in a State final and 3 points for third in a National event. U19 Players will also receive 1 bonus point for each result because they cannot enter 2 events.**

Even though the Ingham qualifier was played in October 2018 it is still a 2019 qualifier so the results from that event will contribute to the **2019 NR Player of the Year Award**. A 2019 qualifier played in 2018 will not be included.

The player who accumulates the most points will be declared the Player of the Year. There will be joint winners if 2 players finish on the same number of points. The aim of the points system is to automate the selection and player results determine the outcome. The system is also designed to encourage players to support all events in their quest to accumulate points.

If an event is combined eg U17 and U19 Combined then it will be analysed to ensure points are allocated to both U17 and U19. A direct match up of the best two players in an age group will determine the winner of that age group. Otherwise the highest finishing position in an age group will receive the maximum points. **To be awarded points there must be at least two players competing in an age group.**

A player can only enter up to 2 events so they can only be rewarded with 2 results. An U9 player who might win a combined event eg **U9, U11 and U13 Combined** can only be rewarded for the U13 victory and their own age group U9 providing there are two U9 players competing. If there is only one player in U9 they will earn points for U13 only. If there was one player in U9 and one in U11 they will still only be rewarded for their efforts in U13.
