SQUASH WA NEWSLETTER : NOVEMBER 2020

CORREN & HOPPS WIN WA CLOSED TITLES

Congratulations to the “Moose” Mike Corren and Amanda Hopps on winning their respective WA Closed Titles. Inspiring stuff but I now need to inspire a “fair dinkum challenge” from somebody half your age!

I’m putting out the challenge to the “next generation” ... where are you? Surely you are not going to allow these two “evergreen champs” to continue to rule WA Squash.

Get off your bums, off your social media and electronic games and dead set do some serious training and beat them next year.

If you really want to achieve such a goal you can ... they are just human beings like you and they can seriously be beaten.

Sure it won’t be easy but it definitely can happen ... can it happen in 12 months ... absolutely it can.

Get yourself super “squash fit” and train every day. If you want it badly enough it can happen. I dare you to actually do the work! No excuses just do it!

Now remember Corren and Hopps are going to continue to train so you are going to have to do double whatever they are doing!

Congratulations to all the 2020 Junior State Champions. Also well done to the South West Smashers on winning the State Junior Teams event.

Dean's Diary

Well, October was a very busy month, with the WA State Junior Championships and Teams Event from the 1st of October to the 4th and at the same time the WA State Closed Titles were on from the 2nd to the 3rd.

We experimented with a very professionally produced live streaming of the Ladies and Men's finals which proved to be a huge hit with over 4,000 views so far and still counting. All the details are in this edition of the SWAN.

On October 11th WA Squash started the WA Squash Academy which was held at Belmont Squash Centre and President Glenn Hitch outlined the basic program. The second session was on Oct 25th, so WASA is officially up and running.

I went to Broome for a bit of squash (and a holiday) and was lucky to be there on the weekend of the 17th and 18th and saw the Broome Club Champs which saw Chris Baker take his 8th Club Title. It was bitter sweet as he and Kirsten were leaving Broome for Queensland only a few days after this. I witnessed a fantastic tribute given to the Bakers from President Craig Starcevich .

Chris and Kirsten will be missed by everyone but mostly from the Juniors where they have built up an amazing junior club and its so full that they are turning away juniors due to only having 2 courts at the Rec Centre.

I was able to have a look at a lot of their juniors and did some routines and basic coaching on the Monday for 4 hours and then did some coaching with the seniors on the Thursday which was great fun.

After this session I went through the rules of squash and some new changes which the Club really embraced. So, a busy week at the Broome squash club and I can't wait to get back there in 2021.

In keeping with my theme as a touring Professional , one of the great thrills I had was to bring the all glass court to Perth in September of 1986. I had arranged for Jahangir Khan to be here and assembled 15 of the top players in the world including Ross Norman (NZ) who had just beaten JK in the World Final in Toulouse, France.

The 16th spot was for me as my ranking had dropped out of the top 20 so I was a wildcard. The \$25,000 WINSPOINT

Dean's Diary

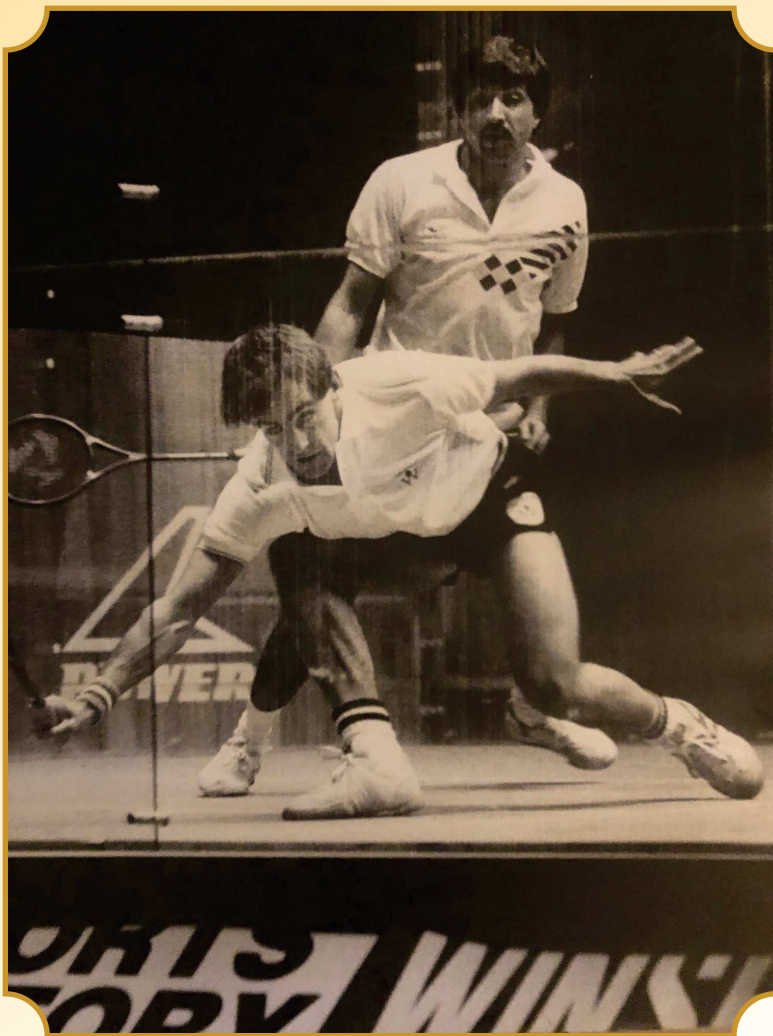

Classic event was held at the Perth Entertainment Centre (sadly, no longer as it was demolished in 2002) and viewed by over 7,000 spectators .

We brought Heather McKay over to do an exhibition with Liz Irving and to be our guest for the week. It was the first time that the all glass court had been used in the southern hemisphere. A huge thanks to the WA Government for helping with this as it was on whilst the Americas Cup Challenge rounds were on leading up to the defence of the Americas Cup. What a week it was !!!

Sadly, JK injured himself in the final of the Malaysian Open the week before and pulled out (it took us 6 months to get his appearance fee back !!!). It was a great week of squash with Ross Norman winning the final against Tristan Nancarrow in 4 games.

We used the court twice more in Perth. We brought over a very young Jansher Khan and had a great tournament held at Challenge Stadium in 1987 and we then had it up for a week at the Garden City Shopping Centre where we held coaching sessions, exhibition matches and showcased squash for 2 weeks.

My partner Lyndsey Thompson and I then sold the court to Victoria squash where it is still being used at MSAC (Albert Park) to this day. It was a huge undertaking for us but we did it and to this day no one has done it since .

2020 WA State Closed Championships

The WA State Closed was played at Mirrabooka Squash club on the 2nd and 3rd of October 2020. It has been fantastic to see this event go from strength to strength over the 30 plus years that it has been held.

The history behind this prestigious event was that whilst we had the wonderful WA Open (which was the WA amateur titles up until 1980) the then Board of WA Squash decided that we should be able to crown our own State Champion who was a resident of WA so hence the State Closed was formed.

Barbara Wall and Dean Williams were approached to donate the trophies which honoured our two most successful squash players of all time in WA. Whilst there has been a few years when it has not been held, this event is now entrenched into the Calendar.

With financial help from WA Squash, The Racquet Shop and the Squashworld Squash Centres the event was able to offer good prizemoney and great prizes for all divisions. The event was also played under the new format of 8 player draws which makes it perfect for a Friday night start and then 2 matches on the Saturday to conclude the tournament, this format is proving to be a hit with players which resulted in a great number playing.

The semi finals of the main Ladies and Mens Championships were a highlight with a very much anticipated match between arguably the States number one player in Sue Hillier and the up and coming Erin Classen. The match was tight and very competitive and at times it looked like Erin would cause an upset but the experience of Sue came through in a very close 4 games. The other semi was between the current WA Open Champion in Amanda Hopps and Jo Hitch. Amanda was far too strong for a fading Jo and won in straight games.

The Mens semis were once again a battle between 2 young guns and 2 very experienced players. Damon MacMillan tried hard but after his marathon quarter final only a few hours before he succumbed to Dave Ilich in straight games. The much anticipated other semi saw a very gallant Remi Young really take it up to Mike Corren and he had a good chance in the second to take a rare game off the champ, but Mike's vast experience came to the fore and once he had secured a 2 -0 lead there was no stopping him to win an easy third.

Mens Open

2020 WA State Closed Championships

The two finals were live streamed on facebook for the first time and this added a wonderful dimension to the finals. Commentary was supplied by Dean Williams and Leigh-Anne Kaye and the coverage has been seen by over 5,000 people so far.

The Ladies final was a torrid affair with Amanda Hopps attacking at all costs and this had Sue under pressure all the time to come up with a counter attack but such was the accuracy of Amanda that she went on to win her 6th title 3-0 and was delighted to add this to her first WA Open Title earlier in the year.

The Men's final was a tad disappointing as Dave Ilich never really got into it and a very dominant Mike Corren went on to win his 5th title in a row 3-0 in under 30 minutes.

2020 WA State Closed Championships

“The Warm Up”

You can't change history but sometimes it is worthwhile to look back and see how we have arrived at where we are today.

This even applies to the evolution of the Rules of Squash.

Continuing on from last month's article on the warm-up a little research produced the following:

I found a rule book from 1973 in which Rule 20 referred to the now “Warm-Up” as the “Knock-up”. This was later changed to the current term of “Warm-Up” because of the connotations in certain parts of the world of the term “Knock-up.”

The rule stated:

“The referee shall allow to either player or the two players together a period of five minutes during the hour preceding the start of the match for knocking-up in a court in which the match is to be played. The choice of knocking up first shall be decided by the spin of the racket.”

Imagine the referee having to be in control for an hour before the match commence.

In 1977 the rule was:

“The Referee shall allow on the court of play a period not exceeding five minutes to the two players together for the purpose of knocking-up, or in the event of the players electing to knock-up separately, the Referee shall allow the first player a period of three and a half minutes and to his opponent, two and a half minutes.”

Between 1977 and 1985 the rule was changed from Rule 20 to Rule 15 and the term changed to Warm-up and now stated

“Immediately preceding the start of play, the Referee shall allow on the court of play a period of 5 minutes to the two players together for the purpose of warming up the ball to be used for the match.

With 2-1/2 minutes of the warm up remaining the Referee shall advise the players they have used half their warm up time with the call “half-time” and ensure they change sides unless they mutually agree otherwise.

A separate warm up, the choice of warming up first or second shall be decided by the spin of a racket.”

Moving on to 2001 the provision for a separate warm up was removed and also the players now had to change sides at “half-time”.

Also introduced was the clause regarding the players having reasonable opportunity of string the ball during the warm up.

Let's play fair!

“The Warm Up”

Again, the rule number was changed from Rule 15 to Rule 3 which made sense as the rules were now taking an order in which the game is played. The rule now stated:

“Immediately preceding the start of both players shall be allowed onto the court of play for a period of five minutes to warm-up together.

After two and a half minutes of the warm up, the Referee shall call “Half-time” and the players shall change sides unless they have already done so. The Referee shall also advise the players when the warm-up period is complete with the call of “Time”

In the warm-up both players must have equal opportunities of striking the ball. A player retaining the strike for an unreasonable time is warming up unfairly, The Referee shall decide when the warm-up is unfair and apply Rule 17 (Conduct on Court)

In 2014 the order of the rules was changed and now the Warm-up was Rule 4 and the rule amended to read:

“At the start of the match the players go on court together to warm up the ball for a maximum of 5 minutes. After 2-1/2 minutes the players must change sides unless they have already done so.

The players must have equal opportunities of striking the ball. A player retaining control of the ball for an unreasonable time is warming up unfairly and apply Rule 15 (Conduct) must be applied.”

Currently the first part of the Warm-Up rules states:

“At the start of the match the players go on court together to warm up the ball for a maximum of 4 minutes. After 2 minutes the players must change sides, unless they have already done so”.

The players must have equal opportunities to strike the ball. A player retaining control of the ball for an unreasonable time is warming up unfairly and Rule 15(Conduct) must be applied.”

I may have missed a few years of changes, but the intent is to show how the warm-up has developed.

If anyone has any copies of the rules pre-dating 1973, I would appreciate it if they could scan a copy and email to the office.

I have not included other sections regarding warming up the ball between games, replacing a broken ball or resuming play after a lengthy break.

That's another story.

Let's play fair!

2020 WA State Junior Championships

The prestigious State Junior Titles were held at Mirrabooka squash centre from Saturday 3rd to Sunday 4th of October. WA Squash were delighted to secure a new sponsor in Q-Bit which is an IT company. Thank you so much for your support.

Also, a huge thank you to the Mirrabooka Squash Centre and to The Racquet Shop for their support. To Kane Fasolo, who was the Tournament Director, a massive thank you once again.

The event was held over 2 days and it overlapped the State Closed Championships and was after the State Junior Teams Championships, so it was a very busy time not only for the players but for the Centre and the parents.

All age groups were represented from under 11's through to under 19's boys and girls. The results are all listed below.

Special mention to all players on the outstanding behaviour and sportsmanship demonstrated throughout the event. It was great to see and made the tournament referees job an easy one. A huge thank you to Pam Addison, Neil Butler, Luke Jamieson, Deb Butler and to all the players who reffed.

A few special mentions have to be made and it was exciting to see Isla Harris from Moora walk away with 2 state titles. Also, a new face appeared in the boys under 13's in Aiden Finlay-Mulligan who hails from Adelaide and now resides in Esperance and he took on Eric Marsh in a very much anticipated battle as both boys are ranked in the top 3 in Australia.

2020 WA State Junior Championships

On this particular day Aiden won a very tight battle in 4 games but I'm sure we will be seeing a lot more of these 2 as the years unfold and I'm positive that this sort of competition will be fantastic for both of them and it will improve their squash.

Congratulations to the 3 Marsh boys who once again picked up state titles and were very competitive in the older age groups as well. In the under 19 events we saw Erin Classen win her third title and equal 2 other great players in Lorraine Collins and Jocelyn O'Shannessy who also have won 3 ... the only difference is that Erin could possibly win 3 more!!!

The boy's final was eagerly watched by all as Dylan Classen had beaten Remi Young at the State Open in Junior Boy's Division 1 and we knew Remi would be ready for him in these state titles.

The game lived up to the hype and Remi took out a close fifth game to claim his second Junior State Title ... congratulations to both Erin and Remi.

In conclusion it was fantastic to see the WA Open, the WA Closed, the State Junior Titles and the State Junior Teams played after all the uncertainty in 2020.

WA Squash held the 2020 State Junior Teams at a different time of year due to COVID. It was held on 1 & 2 of October the same week as our successful Country Week Championships.

This year we also introduced a B Grade team event for players who did not make their Zone team but were still keen to play. The Individual Championships were held after the teams at Squashworld Mirrabooka. The event was sponsored by **Healthway, Smarter than Smoking, Qbit and WA Squash.**

A total of 4.5 zone teams competed this year and 6 B Grade teams. Players from Esperance to Moora and in between played in the event. Players competed with great sportsmanship over the two day event playing 5 rounds, each match best of five games.

Thank you to the Managers from each team who volunteered their time looking after the players: **Clare Slyth** (Southern Stars); **Lisa Christou** (Central Champs); **Lynn Marsh** (Eastern Energy); **Andrew Pratt** (South West Smashers) and **Callum Blakey** (Northern Nicks).

Thank you to **Tyron and Kane** at Squashworld Mirrabooka for ensuring the venue was a joy to play at. Thank you to fellow coordinator Dean Williams for organising the B Grade Team event. Thank you to all the parents for your continued assistance and support.

Lastly, thank you to the players. After 4 days of squash it was inspiring to see so many juniors improve their game from the first match to their last, making new friends and supporting their team mates.

VIC PARK SQUASH UPDATE

World Squash Day

Vic Park Squash Club celebrated World Squash day on the 10th October 2020.

**WORLD
SQUASH
DAY** OCTOBER 10
2020

The day was attended by over 70 people during the day; both adults and children. The day was an incredible success as we achieved the goals we had set for the day;

To celebrate and give back to our members and the squash community and
To increase the awareness in the community and promote our great sport.

A big thank you to Kane Fasolo at The Racquet Shop who donated the main prizes for our event.

WA MASTERS UPDATE

By Janis Haswell

As we move into the penultimate month of the year, we might wonder where the time has gone, particularly as many of our 'normal' activities, holidays etc. have had to be put on hold for a bit. However, and fortunately, we have been able to enjoy a fairly full Masters Squash calendar in 2020, at least here at home, despite Covid-19 restrictions. Events have been held at slightly different times and some adaptations have had to be put into place for some of the competitions, but generally we have been able to enjoy all the Masters tournaments this year excepting, of course, the National Masters Championships, and we can now look forward to our final event for the year – the Masters Teams Tournament.

What's up next for Masters

Masters Teams Tournament

The tournament will be held at the Squash Factory, 18 Garino Rise, Wangara, over the weekend of November 14 and 15. This tournament is a fun event, but still with plenty of competitive, quality squash to get involved in. Get a team together and get involved. Or enter individually and be placed in a team. Enquiries about the tournament can be made directly to Linda McBrierty on 0413 157 238, or to Ed Jennings on 0411 765 588, preferably as soon as possible so that the draw and other tournament arrangements can be completed in good time.

WA Masters AGM

It's time again for the Masters AGM. This is your opportunity to nominate to join the committee to make a contribution to Masters, and to have your say. Or just to have your say. Please think about supporting WA Masters Squash by getting involved. Nominations are sought for the positions of: Chairman, Secretary, Treasurer and General Committee Members.

When: Saturday 14 November 2020 – following the last match of the Teams event (anticipated to be around 4pm).

*Where: The Squash Factory, Wangara
Supper provided following the meeting.*

It would be much appreciated if you could make a special effort to be there as there is an important agenda item to be discussed at the AGM this year. The Masters Committee is proposing the move that WA Masters Squash be incorporated into WA Squash 'as a club'. Details of what this means will be outlined at the meeting. The committee feel that due to a number of changes that have occurred in the organisation of squash, this move would be of benefit to Masters Squash.

A draft copy of the Constitution is available on the Masters website at wamasterssquash.com, and any enquiries can be directed to the Masters President, Roger Campbell on 0466 608 056.

If you would like to nominate for a position on the committee, you can do so prior to the commencement of the AGM at the Squash Factory or contact a current committee member. A nomination form was also attached to the recently emailed Masters October newsletter emailed to all Masters

members on 22 October 2020. Come along to the AGM and be part of this important discussion.

End of Year Function 2020

To help celebrate yet another great Masters year, albeit at the end of an unusual, trying at times, one, join your Masters mates at the wind-up function at the Inglewood. This function is informal and provides a good opportunity to catch up with your squash friends before everyone becomes involved with Christmas preparations.

Details are:

WHEN: Sunday 29 November for lunch at 12.00 pm

WHERE: the Inglewood Hotel, 803 Beaufort Street, Inglewood

To be included, be sure to contact Chris Farley on 0431 837 649 or email her at:

charlief12@y7.com as soon as possible.

Hoping to see everyone there!

Friday Night Masters

Squash World Brentwood; 7.30 pm.

If you've never participated in the Masters Friday Night Squash, then you don't really know what you're missing. If you enjoy the atmosphere and camaraderie of Masters Tournaments, then why not experience this on a weekly basis at FNM. I know it's always difficult to drag yourself out on a Friday night, but once you get going and get yourself there, you will find it's truly worth the effort. There is always room for reserves for those of you who don't want to make that weekly commitment, and reserving is a great way to 'try it out'. Make the effort and give it a go – you'll enjoy it.

The Friday Night Masters squash evenings commence at 7.30pm and the cost is \$15, which includes squash and supper. Get involved and keep this competition alive. It's Masters only regular competition, and we need players to keep it going. If you would like to know more or get involved, contact masters@squashworld.com.au

A final note

With the formal part of the WA Masters program almost done and dusted, it's interesting to reflect on the 'year it was', and the shifting of priorities in your life that have or may have taken place because of the pandemic, and how Covid has polarised many people on many issues, not the least being the State border issues. However, Masters always find a common ground as a group, and a way to enjoy the squash and the friendships within it. So let's look forward to a bigger and better WA Masters Squash year in 2021.
