WIN U19 TITLES  
WA STATE JUNIOR  
CHAMPIONSHIPS**

## Congratulations ...

To Rachel Grinham being named as the “co-flag bearer” for the Australian team at the Birmingham 2022 Commonwealth Games Opening Ceremony. Whilst a huge honour for Rachel it is also a wonderful boost for the profile of squash. Rachel is the first ever squash player to lead out the Australian team and the first female athlete to compete in six Games.

## Congratulations ...

To all the Juniors named in the WA Junior Squash Team. They will compete in the AJC in SEP/OCT at Squashworld Mirrabooka. To help these Juniors meet the cost WA Squash has set up a GoFundMe page. Calling all aunties, uncles, grandparents, workmates, friends, etc – please donate to this very worthy cause via <https://gofund.me/9778143b>.

*It's official - WA Squash has a new home!!! The Department of Local Government, Sport and Cultural Industries (DLGSCI) have finalised the purchase of Belmont Squash Centre and the lease has been signed. After three long years in the making – WA Squash now has a state centre we can call home!*

Department of  
Local Government, Sport  
and Cultural Industries

*Thank you DLGSCI for their ongoing support in making this happen. Their belief in squash and the WA Squash community has grown from strength to strength over the years, and we could not ask for better partners to work with on our journey to rebuild our game.*

*As with all new homes, we too want to make it 'ours' by adding a fresh lick of paint, carpets, some internal re-decorating, lighting and if the budget allows, bathroom renovations. We'll do our best to work through this whilst keeping the centre open with as little disruption as possible. Don't forget that the Belmont centre is now open for court hire from 9am until late Monday to Friday and from 9.30am to 2pm Saturday and Sunday.*

*Speaking of renovations, WA Squash has spent a fair amount of time refreshing and updating the website <http://www.wasquash.com.au/>. While there is a lot more to do, there is now a gallery of scrolling images across the top, an interactive map to help find your nearest club, the ability to nominate for any league season via a webform, and more. Take a few minutes to have a look around if you can.*

*You may have noticed the increase in our social media presence, which will ensure everyone is kept in the loop about what's going down and what's coming up. Posts are published on the website's home page and then automatically pushed through to our Facebook page. It would be fantastic if you could follow us on Facebook if you don't already, and 'like' and 'share' our posts as much as possible. Let's work together to build the profile and following of Squash.*

*... and introducing the new squash promo flyer 'Get Into Squash' (see next page), which has been produced via a consultative process to target both juniors and adults across WA. The flyers will be given to all school kids who participate in our Inflatable Courts program however, we're more than happy to send some to those who would like to assist in spreading the word. WA Squash has sent (and will resend) the flyer to all centre operators and club contacts to put on their notice boards, community centre/shopping centre notice boards, Facebook pages and more.*

*The QR codes on the flyer direct all new and interested players on how to give squash a go. When the Juniors QR code is scanned it takes you to a landing page on the website where all junior programs across the State are listed, and the Adult QR code to a list of all clubs across the State. In conjunction with the website's easy-to-use interactive map, everyone will be able to find*

their closest courts.

If you notice any information is missing or incorrect for your club, make sure you let us know so we can fix it!

Until next time, keep squashing.

A big **THANK YOU** to Healthway and the Fuel to Go & Play program. I have a number of electronic files I can send you to promote this healthy message. Just send me an email and I will send you what I have.

*The annual WA State Junior Championships kicked off at the start of the school holidays at Belmont Saints Squash Centre. 54 mad-keen squash juniors entered this event, with players coming from Broome, Karratha, Moora, Esperance, Narrogin and even NSW for the most prestigious junior squash tournament run in WA. There were a variety of draws with some a round robin and some Swiss draws to enable players to at least have 2 if not 3 matches minimum.*

*In our premier event, World Junior Championships Team Members, Hannah Slyth and Dylan Classen reigned supreme over their opponents. Both U19 events were Round Robins with both Hannah and Dylan displaying their dominance by finishing at the top of their respective draws. Dylan and Hannah, along with Erin, Greg and Oscar will be heading off to Nancy on August 7 to represent Australia at the World Junior Championships.*

*Daniel Marsh played true to his seeding in the U17 boys division, topping his pool to be crowned the champion. Esperance's Aidan Finlay-Mulligan finished runner up. A special note to the Aidan vs Aiden match - a well fought battle that went to five. The speed and determination of both players attracted a large audience to this fine display of squash. In the U17 girls final, Hannah Slyth and Isla Harris had a nail-biting 5-setter, with Hannah claiming the W. Both excelled at backhand rallies and tricky shots that sent their opponent the wrong way.*

*In the U15 Boys, the longest match of the tournament occurred in the semis with the first game between Eric Marsh and NSW's Kieran Willathgamuwa going 19-21. For the final, Aiden Finlay-Mulligan defeated Eric Marsh in four games. In the Girls competition, Sydney Ennis had to battle her way to the finals with two close matches, before she trumped Jasmin Legge in 3.*

*In a combined event for U13 and U11 girls, young gun Vera Bruce topped her pool to secure the title, and Teagan Scott came in at second place. Kieran Willathgamuwa, Alex Marsh and Jacob Curry all topped their pool in the U13 Boys. Kieran eventually took out the title over his opponents.*

*In what could almost be classed as an upset, Cole Jerome defeated top seed Lucas Curry in the Boys U11 Final. Lucas had bagged the first two games, but Cole appeared to find some second legs and nabbed the next three.*

*An impromptu chess competition became a highlight of the tournament, and yes, we did see Scott Jerome fall victim to Luke Jamieson Jnrs' unmatched chess ability, and unmatched table*

*Many thanks to Healthway “Fuel to Go & Play” for sponsoring this event. Thanks to the Chandler mob- Lyn, Russell and Michelle for keeping the centre running and the players fed, Michelle was the last to leave and the first to arrive on both days, so thanks for your tremendous effort.*

*Thanks to Neil Butler for being the Tournament Referee and for helping out at the Tournament Desk. As per usual, Neil did a fabulous job of keeping all the players in line.*

In the B Grade event, there was a three way tie for third place, but a Sporty HQ count back showed that Southern Stars Team 2 narrowly finished higher than the other two teams. I would like to thank the players for their flexibility during the B Grade event, as some players had to play multiple positions to assist with some blank positions, and a special thank you to all the players that reserved.

*The Joyce Barnett and Chas Renner Sportsmanship Awards were awarded based on votes from the opposing team's coaches and managers over the rounds. Votes are based on a player's attitude, efforts and overall sportsmanship both on and off the court.*

*Chas and Joyce are both icons of our sport and have given tirelessly over the years to squash at all levels. It was an honour to have them both attend to present their awards. This year, the Joyce Barnett Award was presented to Joey Scott and Aidan Mascaro received the Chas Renner Award.*

**THANK YOU** to the Managers and Coaches from each team who volunteered their time looking after the players: **Lisa and Sue – Central Champs**, **Katy and Lynn – Eastern Energy** **Josh, Serena, Erin, Dylan – Northern Nicks** **Paul- Regional Rangers** **Clare and Yvette – Southern Stars**

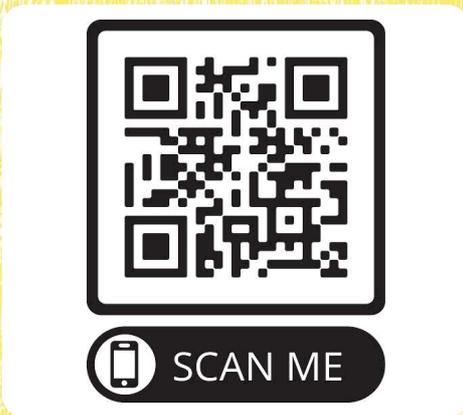

*A massive thank you to the **Chandler Clan** for keeping the Centre in tip-top condition. I would also like to thank all the parents for their assistance during the event, and for ferrying the kids around.*

Finally, **THANK YOU** to our awesome sponsors:

# 2022 FeNaCING : Dampier

*2022 marked the 33rd annual FeNaCING Squash Tournament hosted by the Dampier Squash Club. Once again the weather turned it on and the conditions were perfect for a weekend of squash.*

*Friday night saw the opening of the tournament by Club Captain Silas Briskey and tournament rules by tournament referee Neil Butler. This was followed by the renowned local seafood fiesta put together by Club president Cal Heath.*

*This year saw 92 players from 12 clubs across 4 divisions make the trip north to battle it out for the trophy. Games kicked off at 8am Saturday between the Dampier and Karratha squash clubs and concluded with the A Grade grand final on Sunday afternoon.*

*Preston Munro was awarded person of the tournament for his skill, ongoing dedication to his training, sportsmanship, dress sense, haircut and selection in the 2022 U19 State Team. We are so proud of you Preston and you deserve every success coming your way.*

*Once again, thanks to our volunteers, sponsors, players and families who made this weekend so successful. Special thank you to Neil Butler for supporting our tournament again this year.*

*It was a fantastic weekend of squash, sportsmanship, camaraderie and good natured banter between players. We can't wait to do it all again in 2023!*

# “Rule 5 : The Serve”

*Two parts of the serve rule relate to the server's obligations towards the receiver.*

*Rule 5.6 – “After the Marker has called the score, both players must resume play without unnecessary delay. However, the server must not serve before the receiver is ready*

*Rule 5.10 - “A let is allowed if the receiver is not ready to return the serve and does not attempt to do so. However, if that serve is a fault, the server loses the rally.”*

*There are two parts to this rule.*

*Firstly, there is an onus on the server to make sure that the receiver is in position and ready to receive the serve before attempting to serve. Quite often a player will rush back to the service box and serve in an attempt to speed up play only for the receiver not to be in position to receive the serve.*

*Secondly, the receiver even though they are not ready to receive should not make any attempt to hit the ball. My advice is to not even “tap” the ball back to the server. This way it cannot be construed as an attempt to hit the ball.*

## **Question of the Month**

*Who keeps track of all time requirements under the Rules, and makes the calls of “half time”, ‘time” and “fifteen seconds”?*

- a) The Marker
- b) The Referee
- c) Either the Marker or Referee

*Find the answer in MP & the **T***

## **Quote for the month**

*“There is no way around hard work. Embrace it”  
– Roger Federer*

# NEW WA JUNIOR RANKING GUIDELINES

*The following guidelines outline how the WA Junior rankings will be determined for the SWAN each month.*

Each month the Squash WA Newsletter is produced reporting on tournaments and events that happened in the previous month within Squash in WA. Within the Newsletter, we report on the WA Junior rankings and the Squash Australia Junior Rankings.

As of 1 July 2022, the SWAN will publish the SQA Junior Rankings and the WA Squash Junior rankings as per the following guidelines. These guidelines are intended to create a transparent and consistent process, so all stakeholders are clear on where and how their rankings are derived.

## **Squash Australia Junior Rankings**

Squash Australia Junior Rankings will be taken from the SQA website National Junior Rankings (squash.org.au) <https://www.squash.org.au/w/events/australian-junior-squash-tour/rankings>. The top 5 Juniors in each age group will be displayed and WA players will be highlighted.

For a full understanding of how Squash Australia derive these rankings, please see this link <https://www.squash.org.au/w/events/australian-junior-squash-tour/rankings>

## **WA Squash Junior Rankings**

WA Squash will take our junior rankings from SportyHQ's ranking page <https://www.sportyhq.com/ranking> ... insert WA Squash in the "Name contains" search facility.

All tournaments, pennants, games and matches put through SportyHQ will be included as this process needs to be as automated as possible, with as little human intervention as possible.

- Confidence scores need to be 80% or higher to be included in the rankings.
- Juniors need to be residing in WA to be included in the rankings.

### **Please note:**

There are glitches in SportyHQ around rankings and some kids may be missing

If you believe your child is not listed and they should be or the listing is incorrect, please contact the WA Squash office so we can work together to correct the information.

Data from both SQA and WA Sporty HQ will be taken on the last weekend of each month to ensure we have as much consistency as possible.

## *Hi Squashies!*

As well as a few very exciting tournaments around the corner, there are quite a few small-scale events on the horizon around the squash spheres, including: Junior KotC, Squash-a-thon, Girls Open Day and the Teachers Games.

As Junior Pennants is not running this term, a junior **KotC Challenge** has been organised by WA Squash to find the Ultimate Junior King of the Court Champion. Registrations are limited and can be made on Eventbrite - just click the link from the WA Squash website. This will be an afternoon of fun, and will include snacks! Any junior around Perth is eligible to enter, as long as they can serve.

In another event capitalising on fun, the annual **Squash-a-thon** registrations have also opened! Squash will be played for 24 hours straight, but just as important, juniors have 24 hours to play as much as they like, with no bed-time! Registrations for this can also be made on Eventbrite, by clicking the link on our website.

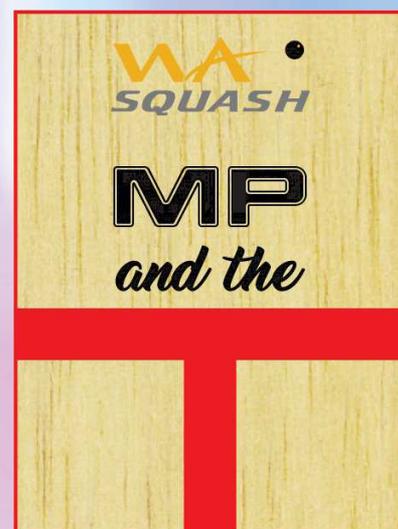

An upcoming **Girls Open Day** is in the works at Belmont Saints Squash Club, please keep your eyes peeled for more details.

2022 is the second year that the **Teachers Games** is being hosted in Western Australia, and this year, WA Squash will be hosting a Squash competition at this event. Any person involved with the Education Department is invited to be involved, so to any squash-playing-teachers, be sure to sign up through the School Sport Website!

Speaking of the AJC, The Junior Committee are seeking some helpers to assist with keeping all the hungry athletes fed. Whether you are a seasoned pro or a newbie to flipping toasties, if you can spare a few hours to help, please email the committee at [wasquashjuniors@gmail.com](mailto:wasquashjuniors@gmail.com). It would be amazing if the committee can get as many helpers as possible as this is a humongous job. Even if you can spare just a couple of hours on one day, all help will be greatly appreciated.

Led by Amanda the Ace and Paul the Persecutor, State Team training has commenced at Belmont Saints Squash Club, in the lead up to the AJC. For the first session, they were put through their paces with a variety of drills focusing on the fundamentals on squash, and then finished with some gut-busting fitness.

And now to spill some T for this month, there may or not be some off-court activities added into the AJC to ensure all the juniors have an exceptional time when they make the trek over to Western Australia. Stay tuned!

# WA MASTERS UPDATE By Janis Haswell

*For me personally it has been a very busy couple of weeks and I just haven't had a chance to do my monthly report. My apologies! I have moved into a new home and I'm fully engaged in State ATAR exams at the moment.*

*The **WA State Masters Squash Championships** were held in July at Squash World Mirrabooka. Despite losing a number of players to health protocols the Championships still boasted 70 very keen participants. Welcome to our new players*

*A big thank you to our sponsors National Tools, Night Harvest Wines and Statewide Cleaning. Another big thank you to Kane Fasolo and the Squash World Mirrabooka staff - you are always a pleasure to work with and the courts are always well presented.*
