AUGUST 2016

## U19 STATE CHAMPS

*Damon MacMillan & Kiara Rogers*

[www.squash.org.au/wa/](http://www.squash.org.au/wa/)

**Congratulations** to all the new WA State Junior Champions, Closed Champions and Masters Champions.

Yes, July was a very busy month for trophy suppliers!

Thank you to all the contributors who have supplied me with information this month. Creating the SWAN is relatively easy but gathering all the information that is used can be challenging!

Emails go back and forth as the “picture puzzle” is put together. Sometimes a lot of effort goes into this gathering process but the end result is worth it because memories are created!

I just wish more people would get involved and help to better recognise people and promote all the good things we do that make our sport so great.

Michelle Classen and Sue Hillier have been absolutely awesome this month. Thank you ladies!

## WILL CURTIS USA BOUND

Recently, **Will Curtis** received an email from Josh Cardwell, who is the head coach at the Avon Old Farms School in Connecticut, USA.

The email detailed a potential position for Will at the school. At first, Will didn't think he would be able to take advantage of the offer because after all it would most likely be a massive financial burden on his parents, who had already supported him

so much. As time went on he learnt that he would be on a full scholarship so that meant he wouldn't have any of the financial burdens he was expecting.

The offer intrigued him very much but he still had doubts and wasn't really sure if he should go, being so young, etc. After discussions with his parents he felt the opportunity was too good to ignore.

So Will accepted Josh Cardwell's offer and will be studying at Avon Old Farms next year. He will be competing as the number 1 player in their squash team!

Will prides himself on being a Western Australian squash player. He knows the hours of training required and the hardship of being on the West coast of Australia but believes that his decision is going to inspire other juniors within the community to stick with it as he has shown there is light at the end of the tunnel.

# JUNIOR CHAMPS

The WA State Junior Individual Championships were held on July 2-3 at Squashworld Mirrabooka. Juniors from all over our vast state made the journey to Perth to compete in our main Junior event of the year.

It was also great to see our friend Jared Ashcroft and his contingent of players from the Northern Territory again making the trip over to participate.

The event attracted 97 entries and was run in conjunction with the 2016 WA Closed State Championships, which attracted an additional 65 entrants.

A big thank you to the **Subiaco Kings Squash Club** for once again getting behind Junior Squash & sponsoring the 2016 WA State Junior Individual & Team Championships.

Results from the 2016 WA State Junior Individual Championships were strongly looked upon to help with the selection for the WA State Junior Team that will compete at the Australian Junior Championships in September. With a lot to play for, the juniors produced some high quality squash with many matches going right down to the wire.

Congratulations to **Damon MacMillan & Kiara Rogers** who are the WA State Junior Boys & Girls U19 Champions for 2016, however, it wasn't without difficulty as each final went the full distance of 5 Games.

## CHAN THE MAN

Greg Chan maintained his position as the best U13 player in Australia with a 3-1 win over Oscar Curtis.

WA boasts the best 4 players in Australia (Under 13) so Chan is able to keep a very close eye on his main opposition.

Chan is the current Australian Open and Closed Champion.

## CLASSEN DOUBLE

Erin Classen was the “star of the show” winning the U13 and U15 double.

Most kids dream about winning one State title but this young lady dreams BIG!

In 2015 Classen won the U11 and U13 double at the WA State Champs.

# WA STATE CLOSED CHAMPS

The **2016 WA Closed State Championships** were held on 1-3 July at Squashworld Mirrabooka.

The WA Closed is one of our most prestigious events dating back to 1988 when two of WA's most revered squash players, Dean Williams & Robyn Lambourne, took out the Mens & Ladies titles respectively.

This year the event was held in conjunction with the 2016 WA State Junior Individual Championships. With a combined total of 162 entries (WA Closed 65 entries, WA State Junior Championships 97 entries) it meant that a lot of squash was played throughout the weekend with many exciting matches on display in both the Senior & Junior events.

Congratulations to our 2016 WA Closed Men & Ladies State Champions - **David Ilich & Amanda Hopps!**

## MENS CLOSED FINAL RESULT:

**David Ilich def Glenn Hitch 3/0 (11/4, 12/10, 11/5)**

**David retained the title he won last year. It's a well-deserved victory as he has been our number 1 ranked player in recent times.**

## LADIES CLOSED FINAL RESULT:

**Amanda Hopps def Clare Slyth 3/0 (11/7, 11/4, 11/7)**

**This is Amanda's fifth WA Closed Ladies title with Amanda previously winning in 1996, 2009, 2011 & 2013.**

# WA MASTERS STATE CHAMPS

## Tournament Director Linda McBrierty Reports

105 competitors participated in the 2016 **WA Masters State Championships** at the Mirrabooka Squash Centre from 15-17 July. There were 75 male and 30 ladies.

The country was, once again, represented by players from Broome, Geraldton and Busselton. A special thank you to these players who travelled to support the tournament.

Our youngest competitor just scraped in with his 35th birthday at the beginning of July and we were proud of our two most senior players who were both born in 1937.

It was great to have 6 players in both the men's 35-39 and 40-44 age groups, a first for the Championships. All other men's age groups were well represented with 3 in the 75-79 open.

Entries from Ladies this year were a little disappointing with injuries, work commitments, holidays and family being the main reasons for not participating.

Starting on Friday evening and carrying through to Sunday afternoon we witnessed some terrific matches culminating with well fought Open finals, watched and enjoyed by many.

Tournaments like this do not happen without sponsors. We would like to thank **Jetts, Beaumonde Homes, Way Electrical, Wheels of Wanneroo, CE Body Builders and Statewide Cleaning** for their very generous support. We enjoyed delicious cheese platters

thanks to Blue Cow Cheese. Thanks also to Ron Clayton and Brian Roby for putting the draw together.

Sue Cowell and her team of junior helpers did an excellent job with the catering for the tournament. There was a great selection of muffins, lunches and the ever popular toastie. Thank you.

Feedback from players was very positive and players new to Masters were impressed with the comradery.

Sunday afternoon was rounded off with the trophy presentations. Some special Awards were also presented:

Contribution to WA Masters Squash:  
**Ron Brindley**

The most senior lady to participate:  
**Pam Foulds**

The most senior man to participate:  
**Bob Dobson**

All this, of course, followed by a good feed of chicken, chips and salad.

# SQUASH WORLD

## CAMBRIDGE

The **Cambridge Open** made a much welcome return to the Perth tournament scene after a five year hiatus and was held over two days on the 22nd and 23rd of July.

Cambridge is part of the Squashworld chain of clubs in Perth (which includes Mirrabooka and Brentwood). That meant the event was well organized and run under the auspices of Squashworld founders Kane Fasolo and Adam Simmons.

A few of the highlights included Cambridge local and fitness guru Andre Blignaut providing the first shock of the tournament by taking out the top seed Grant Hardwick over 5 body wrecking games in Division 1.

Unfortunately the effort took its toll on Blignaut as he wasn't able to back up the following morning against Cambridge team mate Alberto Musca.

The final of Division 1 also provided an upset when Luke Dodds defeated Alberto Musca in an all Cambridge final. Musca seemed to be suffering from the 1.2kg of caffeine he ingested pre match and it is said that a full WADA investigation is under way!

The Women's Open provided a fantastic and historic first Open win for Junior player Olivia Lindsey! A fantastic result for Lindsey and definitely a name to watch for in the future.

The Men's Open provided some strong competition with new Cambridge Club

*Photo: Mike Corren and Olivia Lindsey*

Pro Mike Corren competing alongside WA #1 ranked player Dave Illich and WA #2 Will Curtis.

Curtis and Illich had a classic encounter in the semi final which went the full distance and at 5-2 up in the fifth Curtis had the momentum and looked like he would go through to the final. However a long and taxing rally ensued with Illich winning it and then going on from there to finish stronger and take the match.

In the final Corren took advantage of Illich's fatigue (as a consequence of his effort against Curtis just ninety minutes prior) and took his first Cambridge Open title with a 3-0 win.

Overall the tournament was a huge success and a fantastic welcome back to

## 2016 WA Squash Interschool Championships

The Senior Boys (Division 1) competition was held at Squashworld Mirrabooka on Tuesday 26 July 2016.

16 teams entered the competition with the No 1 seeds being from Carine Senior High School.

This event looked like Carine would walk away with the title having a WA Squash State Team member at #1 and his brother, who has been playing squash for several years, at #2.

However, Mater Dei College nearly beat them in the semi-final. Mater Dei got off to a great start with #3 Chris Spencer beating Alex Gray (Carine).

#2 Damon Blakey (Carine) leveled the clash when he beat Ryan Sanjana (Mater Dei) leaving the #1s, both State Team players, to battle it out.

The scores were locked when time was called. To break the deadlock there was to be one more rally! Callum Blakey won that point against Kane Jaran Holman to give Carine the win and put them into the final against Churchlands Senior High School.

Churchlands SHS had no State Players or players who belonged to a junior squash club. Churchlands started the final well with their #3 Oliver Ernst winning his match against Alex Gray. However, their #2 Patrick Minson and #1 Malik Arslanagic were not strong enough against the Blakey brothers, enabling Carine Senior High School to take the 2016 Interschool Championship.

**Thank you** to all the schools who participated and Squash World Mirrabooka

# PLAYER PERFORMANCE CAMP

## Tim Cowell Reports

Immediately following the WA State Junior Age Championships, our state squad players travelled to Bridgetown for the second time this year for the 3rd Player Performance Camp.

Once again Roger Flynn joined us for the camp to put the juniors through their paces.

Having just come off 4 days of tournament play, the camp began in Bunbury with a recovery session in the rec centre pool. The kids then had some time to enjoy themselves, relaxing in the shallow water or taking on the inflatable challenge course in the lane pool. It was then off to Bridgetown to begin the camp.

This time the camp was everyone at the same time, rather than split into two separate groups. This did provide a bit of a challenge with court space, however with some quick thinking we managed to keep everyone active.

Half the group would train on court whilst the second group had some physical activities off court including a circuit session (coordinated by Dave and Shari Tsangaris), flexibility assessment, Y test and Yo Yo fitness testing.

A doubles tournament proved a highlight with some well balanced teams and some very close matches in the afternoon.

Whilst most of the camp ran according to schedule, due to poor

weather our Tough Mudder team challenge day had to be shifted to the basketball court at the Bridgetown rec centre.

The juniors were tested physically and mentally with the 4 way tug a war, 3D noughts and crosses, blood and guts circuit and heads or tails.

It was a very even challenge day with special mention to the Barry Allen Fan Club team (led by Remi and Jade) who being the youngest team came out well ahead in the blood and guts circuit.

The camp finished back in Bunbury with some critical game practice and sprint recovery fitness work.

Needless to say after four days of tournament play and two and a half days of physical training there were some very tired bodies.

I would like to thank the following as without their support this camp would have not been possible: all the parents; The Manjimup Country Club; Bridgetown Rec Centre; Bridgetown Camp School; South West Sports Centre; DSR(WA), Healthways and WA Squash.

Finally, to Roger Flynn and Mike Cornish for their tireless efforts organising and helping bring out the best in our kids.

# SOUTH WEST GRAND PRIX

## Leanne French Reports

We would like to invite all juniors to participate in the 2nd event of the South West Grand Prix. We now move to **Busselton**. The event will take place on **27th August**.

The South West Grand Prix series is a 3 tournament competition, with points allocated at each event, concluding with an overall point winner awarded and celebrated at the final tournament of the series held in Manjimup.

The South West Grand Prix is a fun, one day ability based tournament for all juniors.

It doesn't matter if the junior is just beginning or is at a State level, there's competition for everyone!

# SQUASH DEVELOPMENT

**Sue Hillier Reports**

So far this year, WA Squash has exposed the game of Squash to 48 schools and 5809 students, by delivering the **Smarter than Smoking Squash Development Program**.

This has been achieved mainly thanks to all the hard work and commitment shown by Mike Cornish who travels the State with the Inflatable Squash Courts. (As this article is being written Mike is in Port Hedland visiting schools).

Funding from the Department of Sport and Recreation assists with the delivery of our Country Development Strategy creating the opportunity to widen the spread of our successful school programs.

Whilst undertaking our schools programs during the day, Mike then runs coaching courses at the clubs and provides them with helpful information to assist with the ongoing development of their players and attracting new players to our sport.

In the metropolitan area, centres have been running the **Just Squash It Secondary School Program** which has been helping to steadily grow participation numbers. 53 teams entered the Interschool Squash Competition this year compared to 26 last year.

This year, Tim Cowell based at Cambridge Squash Centre, has taken the inflatable courts to schools in that area resulting in a junior program now up and running at this centre.
