2012	Egypt	Australia 17th
2014	Egypt	Australia did not compete
2016	Pakistan	Australia 7th

## 2016 AUSSIES

The Australian Junior Men's Squash Team finished 7th at the 2016 World Junior Championships in Poland.

Seeded 10 for the event the Aussie boys performed extremely well and achieved the best result for junior men since 2002 when Australia finished 4th.

**Squash Media** would like to recognise the effort and achievement of the 2016 team.

Congratulations also to coaches Paul Price and Vicki Cardwell.

“ These past few weeks at the World Junior Championships in Poland have been amazing. I couldn't be prouder to represent Australia along side such an awesome group of guys! We all had tough battles, and were pushed physically and mentally. However, we managed to pull together and beat our 10th place seeding, making it into the quarter finals and finally placing 7th - a feat that hasn't been achieved in 14 years. A massive thank you goes out to our coaches, Paul Price and Vicki Cardwell, without them we wouldn't have come close to what we achieved

**Alex Oswald**
