**Champions for the 13th consecutive year
2004 - 2016**

CONGRATULATIONS

2016 AJC TEAMS - SUMMARY

The Australian Junior Teams Championship has concluded for another year. **The mighty Queensland Sharks won the combined team event for a record 13th consecutive year.**

Queensland won the first two Overall Championships in 1991 and 1992 before NSW won an impressive 11 straight. Queensland broke through in 2004 and hasn't looked back for 13 years. Only two States have dominated the event.

Winning the overall championship for so long is an incredible achievement and one can only applaud. Whilst it isn't easy every State/Territory can do what Queensland has done. It all starts with developing the very young - Under 9!

Western Australia is knocking on the door with back to back overall seconds. Their Under 13 team won for the 2nd year in a row and look set to dominate their age group for a long time to come. Now what WA need to do is win the Under 13 again in 2017!

Queensland's dominance of the Under 13 event helped them significantly in their quest to win the combined championship. Queensland won six Under 13 titles in a row from 2001 to 2006. Then in 2004 they won the U13, U15 and U17 titles and the Overall Team Championship for the first time since 1992.

Despite winning the U19 title in 2004, NSW's reign as the premier State was over. Despite some bright spots here and there, NSW is still very much in a rebuilding phase. NSW's last age group success was in 2012 when they won the Under 13 Championship.

It is so critically important to be winning the younger age groups because in time that will lead to future success providing they can back it up the following year.

The **Tasmanian Under 17 team** created history by becoming the first team from the "apple isle" to win an age category. Congratulations guys ... that is an enormous effort against the power states.
